## WARNING

1- This guide aims to make new users of ySense feel familiar with some tasks available on the website and earn their first reward;

2- The tasks present in this guide were tested by myself and in this guide I will provide my ySense transaction history proving that I received the credits for completing them.

## Your Survey Profile

### General Info

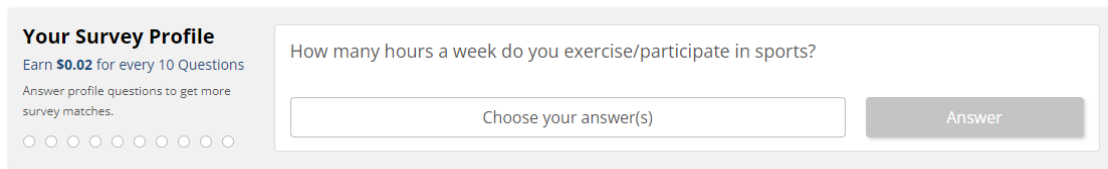

- Your Survey Profile is a set of simple and easy questions with the purpose of creating your profile in order for the website to send more surveys with the right match for you in the future;
- You will earn 2 cents for every 10 questions answered;
- If you run out of questions, you can check again every day.

### Step by Step

1. After logging into ySense website, click to expand the **Surveys** menu on the upside bar and then click on **Complete Surveys**.

2. Scroll down the page until you find the **Your Survey Profile** questions and then all you have to do is choose the answers and click the **Answer** button.

The screenshot shows a survey interface. On the left, under the heading "Your Survey Profile", it says "Earn \$0.02 for every 10 Questions" and "Answer profile questions to get more survey matches." Below this are ten small circles, with the first one filled. The main question is "How many hours a week do you exercise/participate in sports?". Below the question is a text input field with the placeholder "Choose your answer(s)" and a grey "Answer" button to its right.

## Daily Poll

### General Info

- Daily Pool is a simple question that is available once per day;
- You will earn 1 cent for answering the question.

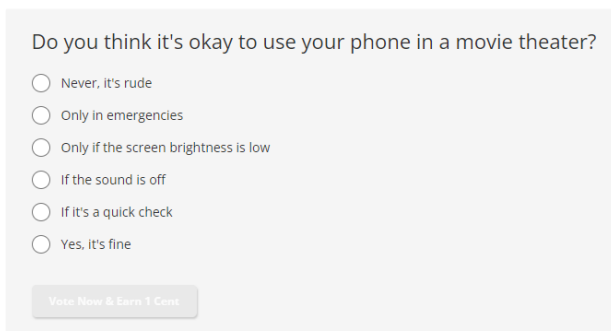

### Step by Step

1. After logging into ySense website, click to expand the **Surveys** menu on the upside bar and then click on **Daily Poll**. Then answer the available question and earn your reward.

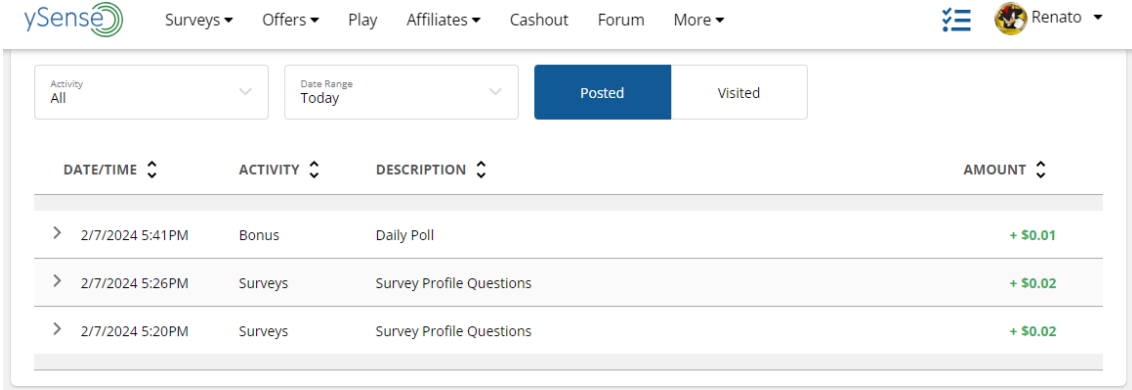

### Daily Poll

Voice your opinion on a variety of fun topics and earn 1 when you submit your vote.

The screenshot shows a daily poll question: "Do you think it's okay to use your phone in a movie theater?". Below the question are five radio button options: "Never, it's rude", "Only in emergencies", "Only if the screen brightness is low", "If the sound is off", and "If it's a quick check". At the bottom, there is a button that says "Vote Now & Earn 1 Cent".

## Proof of Completion

The screenshot shows the ySense website interface. At the top, there is a navigation bar with the ySense logo and menu items: Surveys, Offers, Play, Affiliates, Cashout, Forum, and More. On the right, there is a user profile icon for 'Renato' and a settings icon. Below the navigation bar, there are two filter dropdowns: 'Activity' set to 'All' and 'Date Range' set to 'Today'. To the right of these filters are two buttons: 'Posted' (highlighted in blue) and 'Visited'. Below the filters is a table with the following columns: DATE/TIME, ACTIVITY, DESCRIPTION, and AMOUNT. The table contains three rows of activity data.
