# GECKO® Reinforces 東昫閣 Samantabhadra Vihara's Main Hall

Incorporated in 2015, the Samantabhadra Vihara

東昫閣 has been actively

involved, both as a center of Buddhism learning, as well as in charitable works serving communities and the public in Singapore. Moving on to their new premise in 2017, the Samantabhadra Vihara chose to install GECKO® C.R.I.S.T.A.L.® Audiophile system for their main hall, as natural tone, clarity, coverage, and simplicity of operation is of utmost priority when comes to choosing a sound system.

## GECKO® Installed System:

1 unit of EXODUS ALPHA MXR 1800 18-Channel mixing console

1 unit of GENESIS ELEGANCE AGE 600H Class-H line-replaceable unit (LRU) power amplifier

4 units of GECKO® REVELATION SR 606R speakers

1 set of GECKO® PASSION MP 621W/RP 211U wireless handheld microphones system

1 lot of GECKO® TRUTH series audiophile speaker and signal cables terminated with GECKO® OLYMPIAN series audiophile grade connectors
