# Fargate

**Amber Hendy**

Social Value and Stakeholder Manager

Yorkshire and North East

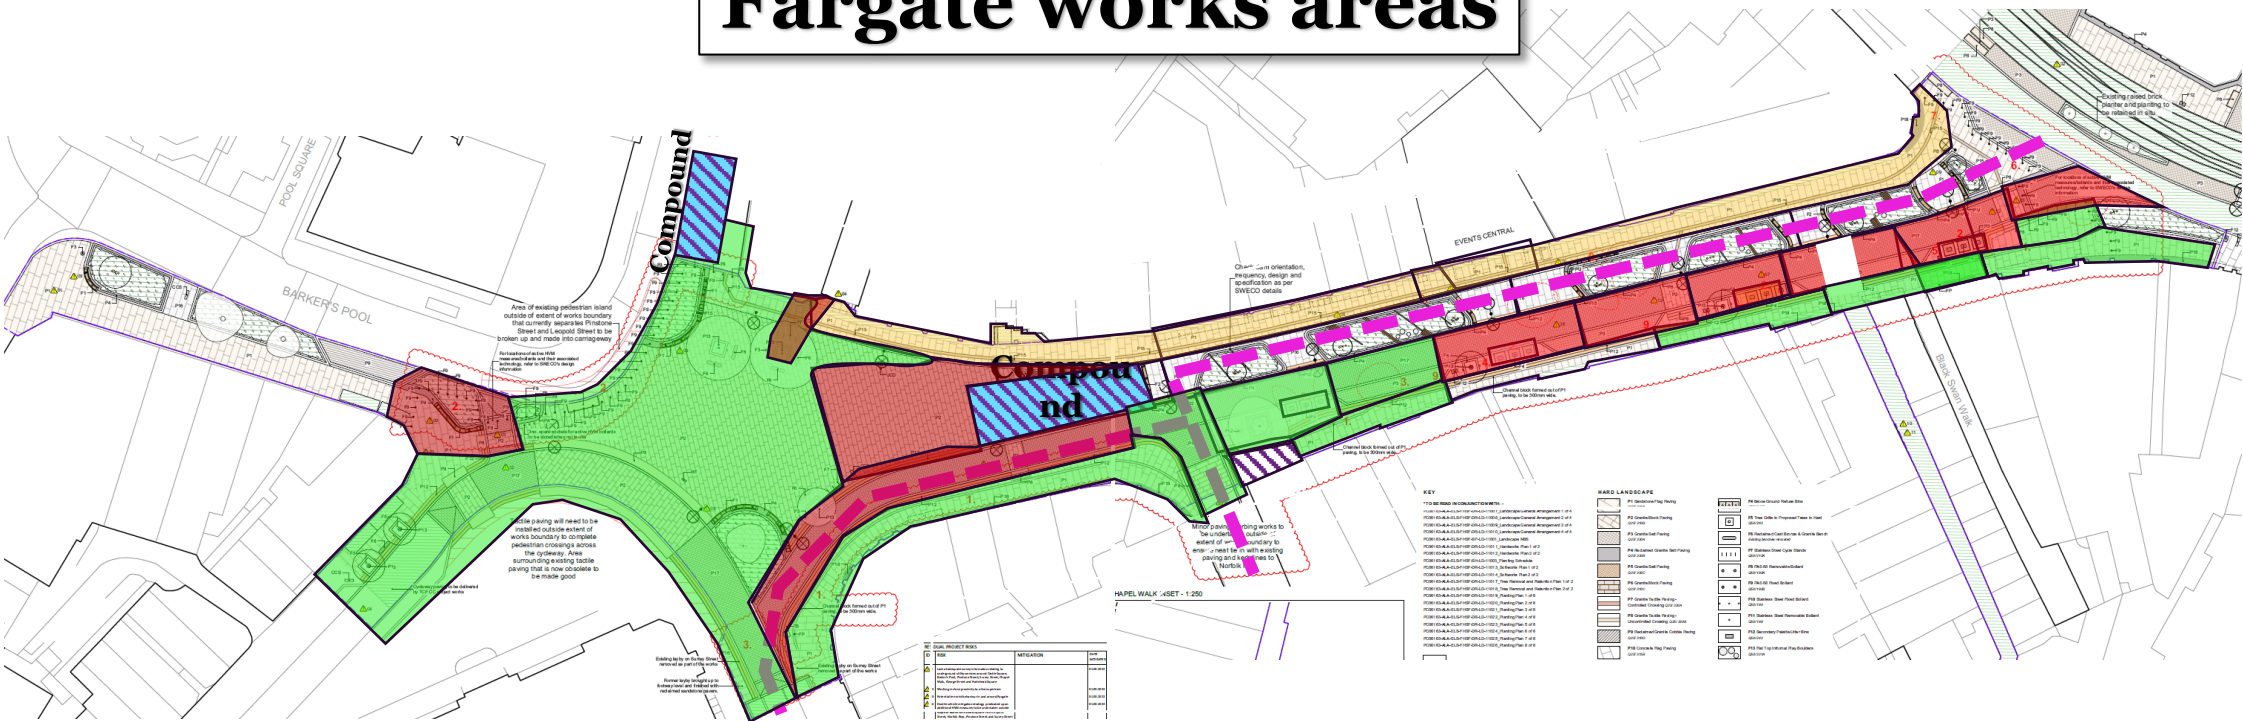

John Sisk & Son Ltd

SHEFFIELD **BID**

# Current Layout

## Fargate works areas

- Working area
- Working area (Bin Install)
- Partially complete (open to public)
- Completed area
- Access route

- Barclays bollards issue to be resolved
- 3 focus areas:
  - Continue to open up Events area
  - Complete works outside Orchard Square then progress along businesses.
  - Complete works along Marks and Spencer run (footways against buildings completed)

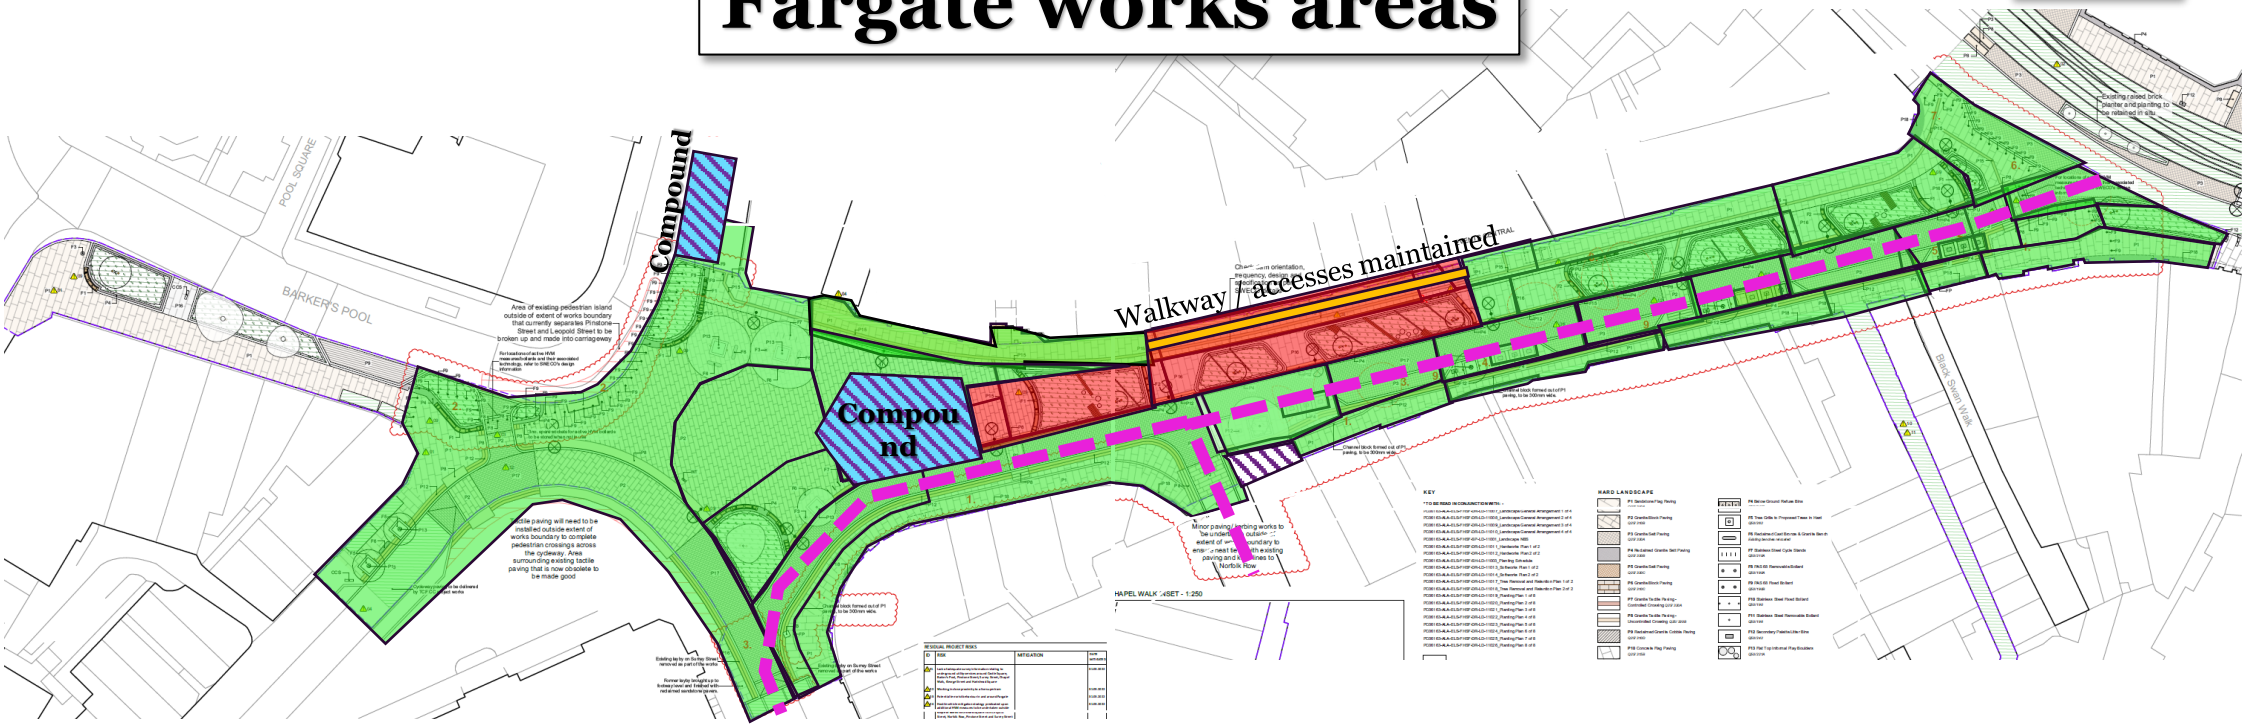

# Fargate works areas

January 25

- Working area
- Working area (Bin Install)
- Partially complete (open to public)
- Completed area
- Access route

# Underground Bins

## What is it?

- Common throughout Europe in urban areas
- Liverpool and Cambridge have developed similar schemes
- Allows for large volume of waste to be collected in single visits

## Using them

- Above ground system will have fob/card/app access to open the hopper
- Place waste or recycling into relevant above ground hopper and close the chute, waste drops into the below ground chamber
- Access control system will ensure only registered users can use the bins

## Emptying the bins

- Emptied with specialist collection vehicle
- Requires hi-ab crane system on the vehicle
- Chamber lifted out of the ground and emptied over the top of the collection vehicle

## Why use them?

- Limited options for waste collections along Fargate
- Removes the need for bins or sacks to be placed out overnight
- Reduces the number of vehicle movements for waste collections
- Will ensure users meet the requirements of the Environment Bill/Simpler Recycling
- Single point of contact for all waste services

## Prices – the all important part

- Service will be priced to ensure that its highly competitive - we want everyone to use this scheme
- The priority is a good service not profit but we can't operate at a loss
- Prices are being worked up currently and market tested to ensure they are sound
- We expect to be able to save all users money on their current arrangements
- Pricing will be based on a model of the user's operation – what waste they would be expected to produce, it won't be a per bag or per fob scan charge

Tuesday 3rd December to Sunday 5th January 2025

# Welcoming students to the city centre

# STUDENT SCRATCH CARD

**8,000**  
INSTANT WIN PRIZES  
UP FOR GRABS!

See the back of the scratch card for details on how you can redeem your instant win and how to enter into the grand prize draw to win prizes worth over £2,000.

Sheffield  
**MOOR**

The image shows two 'Student Scratch Cards' from Sheffield Moor. The cards are white with a pink floral border. One card is partially obscured by the other. The text on the cards includes 'STUDENT SCRATCH CARD' and instructions to see the back for details on redeeming instant wins and entering a grand prize draw for prizes worth over £2,000. The Sheffield Moor logo is at the bottom.

## ORCHARD SQUARE MAKERS MARKET

21st September  
12-4

**Student discounts!**

*Welcome new students!*

The image is a promotional graphic for Orchard Square Makers Market. It features a blue background with various market items illustrated in colorful shapes: a white bowl with blue patterns, several cookies, a slice of cake on a plate, two potted plants (one in a yellow pot, one in a blue pot), and two gold rings. The text 'ORCHARD SQUARE MAKERS MARKET' is at the top, followed by the date '21st September' and time '12-4'. A black circle with white text says 'Student discounts!'. At the bottom, it says 'Welcome new students!' in a white script font.
