

EXPLORING ANTI-SOCIAL BEHAVIOUR IN SHEFFIELD CITY CENTRE

Free Training for Sheffield City Centre Businesses

Sheffield Community Safety Team are offering free training/briefing sessions designed to help businesses understand ASB in Sheffield city centre. Which agencies, partners and support services are doing in the city centre. You'll receive guidance on how staff can respond effectively, as well as opportunities to explore long-term, partnership-based solutions.

BENEFITS FOR EMPLOYERS AND EMPLOYEES

- Helping staff feel safer, more confident, and better equipped to handle challenging situations.
- Supporting businesses to respond consistently, safely, and effectively to anti-social behaviour.
- Strengthening staff skills while reducing disruption to customers and daily operations.
- Connecting businesses with local support teams and practical tools that make a real difference.
- Building a safer, more welcoming city centre through shared training and partnership working.

TRAINING OPTIONS

Flexible Scheduling Designed to fit around shift patterns and busy trading hours

- Early-morning sessions
- Lunchtime sessions
- Evening sessions (night-time economy)
- Live online workshops (Teams/Zoom)
- Delivered directly in-store or in staff areas
