Day 1- Sun 24 August: Home – Broome (D)

Good Morning and Welcome to our beautiful **Broome** tour. Here we'll be surrounded by sandy beaches and the most amazing turquoise water. We are **picked up from home** and transferred to **Melbourne Airport** to connect with our **direct flight to Broome**. We land in the beautiful township of Broome in Western Australia's Kimberley region, well known for the 22km long white sands of Cable Beach, the producers of some of Australia's best pearls as well as its unique sunset camel rides. Originally founded as a pearling port over a hundred years ago, Broome now boasts a multicultural population of many nationalities lured here by the promise of finding their fortunes. Koepanger, Malay, Chinese, European and Aboriginal cultures have all blended to create a captivating, friendly and flamboyant personality that is the heart and soul of Broome. Upon arrival we are met by our friendly coach captain who will transfer us to the hotel to check-in with time to refresh before dinner in the hotel restaurant.

Overnight: Oaks Hotel, Broome

Day 2. Mon 25 Aug: Willie Creek Pearls & Exploring Broome (B/L/D)

This morning our tour of **Willie Creek Pearls** offers the complete pearl experience, from telling the story of history and pearling in Broome, to educating about modern-day pearling, right through to commercial pearl farming and jewellery manufacture. Discover how pearls are produced in the protected tidal estuary and witness farming operations from the water on our cruise before watching a pearl presentation, followed by lunch. On our return back into Broome, we enjoy a "**Highlights of Broome Tour**" hearing fascinating stories of the colourful precinct of Chinatown and Streeters Jetty where the Pearl Luggers unload their oysters, the famous Sun Pictures, the world's oldest operating open air picture garden (now listed in the Guinness World Records). This afternoon we enjoy **sunset drinks on Cable Beach**, before returning to the hotel for dinner.

Overnight: Oaks Hotel, Broome

Day 3. Tue 26 Aug: Broome Afternoon Cruise

(B/L)

After a relaxing morning at the hotel our **Broome Dinosaur Adventure** will transport us across the tidal floor to see dinosaur footprints in old, petrified forest on the other side of Roebuck Bay. Gliding along the tidal edge take in the view as Pelicans, Egrets, Osprey and Sea Eagle pass by, whilst marvelling at the dramatic red rich Pindan cliff backdrop as we land on a secluded patch of pristine coastline. As the tide continues to fall, we head off into the Bay, settle down on the sandy sea floor and let our pilots look after us with **sparkling wine and hors d'oeuvres** as the sun finally sets silhouetting the Broome Peninsula whilst glistening off ripples in the tidal floor. Following our wonderful experience, we return to the hotel for an evening at our own leisure

(B)

After breakfast, we make our way to the **Malcolm Douglas Crocodile Farm**, home of the late Malcolm Douglas. We enjoy a guided tour with informative details about these prehistoric creatures and their preservation. We then make our way to Gantheaume Point. **Gantheaume Point** encompasses a stretch of white sandy beach as well as a red rock cliff face overlooking the turquoise waters of the Indian Ocean. Located about ten minutes from the town centre of Broome, the contrasting colours of the deep pindan red cliffs and the shimmering turquoise ocean is breathtaking and provides stunning photo opportunities. On our journey back to the Resort we make a brief stop at the **Japanese Cemetery**, that reflects the unique nature of the area and its strong sense of community. A walk through the cemetery highlights different “family” sections and there are a considerable number of names on headstones that can also be seen in Broome Street names. The Chinese, Japanese, Muslim and Jewish sections are testament to Broome’s rich and diverse cultural history. We then return to the Resort for the afternoon before our visit tonight at the **Broome Night Markets** which are held at the Town Beach Precinct on Hamersley Street. Wander around the colourful local stalls under the stars, sample the tastes of Broome cuisine, listen to local live music and take in the spectacular night sky

Started over 25 years ago by a small group of locals wishing to trade local product, they have grown to become a major tourist attraction in Broome and host up to 115 creative stalls for you to browse. We then make our way to the **Broome Historical Museum** for a visit, before our last stop back in town at leisure for some last-minute souvenir shopping, before returning to the Resort for our last night. We gather for our farewell dinner and reflect on our getaway in the Top End of the West.
