Since participants will be working with glass, here are safety guidelines to be aware of.

Important Safety Guidelines:

1. No tank tops - when cutting and grinding glass chest and upper arms must be covered as to not get cut by spraying shards of glass.
2. No flip flops – Wear comfortable soft soled shoes that cover entire foot.
3. Long hair must be pulled back and long jewelry removed as to no get tangled in the machines.
4. Personal glasses or safety glasses must be worn at all times when using grinders and cutting glass.
5. Tools such as the Cookie and Grinder Mate should be used as much as possible to prevent cuts to fingers and hands.
6. **DO NOT SWEEP GLASS WITH FINGERS OR HANDS ON WORK SURFACES!**
Use the dust pan and brush to continuously clean glass shards off of work- surface and prevent injury.
7. Turn off grinders when not in use.
8. Personal working area should be cleaned after each class:
 - a. Shards of glass and work material should be swept off of the work surfaces as you are working on a project.
 - b. Tools should be disinfected with wipes and put back on rack.
 - c. Wet towels should put in basket to be cleaned.

I release LaGlassTee Creations LLC from all liabilities incurred from any injury or damage to personal property in connection with the stained glass shop.

I have read, understand and will comply with the guidelines of this form.
