

EOI - REQUEST FOR QUOTE:

Roads Upgrade 2025 - 001

Belyuen Community are seeking estimates from suitably qualified NT based organisations to provide road upgrades to the Belyuen internal roads network.

Below is a table of the works required. This quote is based on 1000 m2, the final amount of roadworks to be upgraded will be determined by the rates provided by the interested party.

Please provide your rates in the right hand column of the below table.
