CONNECTING HAPPINESS

We at Alu Connect assist the society to resolve challenges if any within the society, outside the society, legal compliance, any government department or judicial issues. We are capable to resolve almost any challenges faced by the society in a fair and holistic strategy.

ADMINISTRATION

Post administrative analysis We share strong suggestions to bring in effective management, decrease paper work & man-power requirements, introduce automation, connect the administrative members with governing officials for seamless functionality and fair governance.

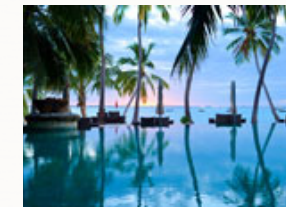

Administration

Environment Program

SOCIAL WELFARE

Self-Sustaining welfare program for families and individuals like health care, service affiliation, children & senior citizen welfare and cross-culture programmes.

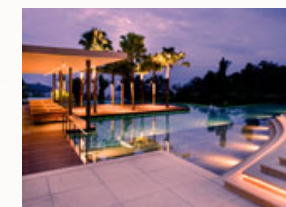

Social Welfare

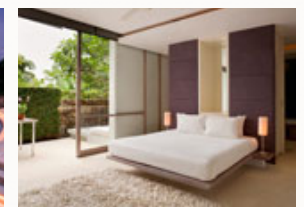

Fitness

FITNESS

We encourage a healthy society by introducing fitness solutions for residents of all ages from children to senior citizens. This helps in contributing to the socio-economic development of the society while enhancing individual welfare.
