MICROSOFT HEALTHCARE USERS GROUP

# MS HUG

## MICROSOFT HEALTHCARE USERS GROUP

### Cultivate New Ideas

Network with more than 4,000 dedicated MS-HUG members who use Microsoft-based technology to improve the quality and efficiency of their work environment.

### Shared Learning

Participate in a highly specialized forum. MS-HUG members exchange ideas, promote learning and sharing solutions for information systems using Microsoft technologies.

### Meaningful Connections

Reach out to MS-HUG peers locally and nationally who can facilitate success in your current projects or offer assistance in searching for new career opportunities.

### More Interaction

Widen your sphere of influence and education. MS-HUG offers unique opportunities for online interaction to help you make more of your pursuits. Learn from peers, provide input, voice your opinions and help shape the course of healthcare technology today.

### MS-HUG Offers...

Join MS-HUG and get the inside track on healthcare technology information and the prevailing solutions available from Microsoft and Microsoft users.

MS-HUG members get a unique opportunity each year at the MS-HUG Fall Tech Forum. Held at Microsoft's Corporate Campus in Redmond, WA, MS-HUG Fall Tech Forum attendees have access to exclusive training, product information and networking activities.

MS-HUG Fall Tech attendees are also fortunate to get an insider's look at Microsoft's latest product innovations. Fall Tech Forum 06 participants were able to get a hands-on preview of Microsoft Vista™ and the 2007 Microsoft® Office system before these products were available to the public.

### BENEFITS OF MS-HUG MEMBERSHIP

- MS-HUG is an exclusive HIMSS membership benefit, offering you special discounts on Microsoft and MS-HUG educational opportunities including:
  - MS-HUG Spring Tech Forum, held in conjunction with the HIMSS Annual Conference and Exhibition
  - MS-HUG Fall Tech Forum, held in Redmond, Washington at the Microsoft Corporate Campus
  - FREE registration for MS-HUG webcasts by Microsoft, held throughout the year on a variety of topics
- *MS-HUG Connection* — a monthly e-newsletter linking you to news and information regarding MS-HUG, Microsoft and the healthcare IT industry
- Members can participate in the yearly MS-HUG Awards program. These awards are highlighted at the HIMSS Annual Conference & Exhibition
- The opportunity to network with your peers by participating in a MS-HUG workgroup

### MEMBERSHIP IN THE MICROSOFT HEALTHCARE USERS GROUP MEANS:

- Access to the latest solutions/technology from the leading minds at Microsoft and independent industry experts
- Opportunities to voice your opinions, learn from your peers and help shape the future
- Network with professionals who can enhance your career

# JOIN MS-HUG TODAY!

Access to MS-HUG is part of the HIMSS membership benefit package. Participation offers many unique benefits and advantages from both organizations, including the opportunity to interact with HIMSS advocacy groups that may impact healthcare legislation, networking with leading minds in healthcare IT, special member pricing on the biggest and best conferences in the industry, and much more.
