

ADDRESS TO

SIR WOODS, BART.

Dear Sir.

THE Members of the Walthamstow Labour League desire to avail themselves of this opportunity, at the close of the three and a half years, during which you had represented this division of Essex in Parliament to humbly tender to you their most grateful appreciation of the tireless and unceasing energy you had bestowed - both in and out of Parliament - in advancing the cause throughout the whole Country.

When in the year 1897 you retrieved Walthamstow from its Tory representation and gained for them the glorious victory of that year they hailed your election as the omen of a new and promising era for the progress of the cause of labour with which you have ever been so honourably associated, and with which you have always shown yourself in such close sympathy, and although the League has for the time being, been deprived of your services in Parliament they confidently look forward to a near future when you will return to champion the cause they have at heart and to voice their wants in the House of Commons in which you have been so long one of its most able and conspicuous members.

Signed on behalf of the Members,

Edwin J. Crosier

Chairman.

Robert Thain

Treasurer.

Samuel Woods Esq.

DEAR SIR

It is with great pleasure we welcome you once more among us, and we wish to thank you most sincerely for your devotedness to the MINERS CAUSE. We hail with satisfaction your selection as the PARLIAMENTARY CANDIDATE for the INCE DIVISION at the next Election. We congratulate the constituency on their noble selection and heartily wish you success when the time comes.

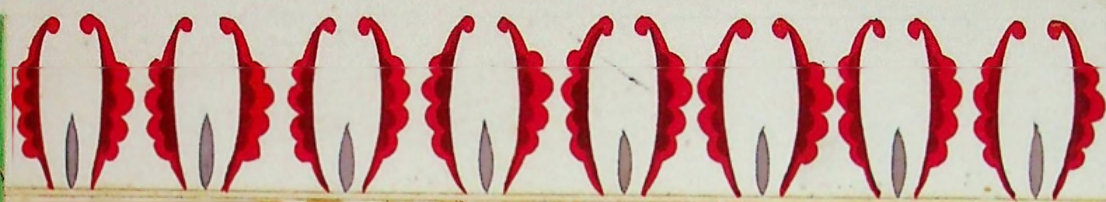

YOUR presence in Parliament will be a great benefit and assistance to the MINERS, not only in the district you hope to represent, but generally through the Country, and will be the means of assisting MR PICKARD and other Labour Members to legislate on behalf of the working population. We believe you will be a credit to the class you have so nobly represented, and it is our unanimous wish to see the highest honour conferred upon you for your valuable efforts in the past on behalf of the mining population of the Country.

We remain, on behalf of the
Committee of North Wales Miners Federation,

Yours respectfully,

George Bowley	CHAIRMAN.
John Carsley	Edwin Parry
Jonathan Griffiths	William Andrews
William Hughes	Samuel George
	TREASURER.
	Richard Jones
	SECRETARY.

September 8. 1890.

WOODS

DEAR FRIEND

The members of the Adult Bible Class, of the Baptist Sunday School Brynau, feel that in the capacity of teacher during the past three years you have earnestly striven to increase our knowledge of God's Truth and have manifested a keen desire for our Spiritual Advancement.

We desire to express our grateful love to you and our high appreciation of your valued services.

We ask you to accept at our hands this small memento of our regard and to receive our earnest wishes for Divine Blessings to ever attend you.

Signed on behalf of the Class

SUPERINTENDENT

SECRETARY
