¡NO PASARÁN!

The Internationale

Arise! Ye workers from your slumbers
Arise! Ye prisoners of want.
For reason in revolt now thunders
And at last ends the age of cant.
Now away with all your superstitions
Servile masses arise! Arise!
We'll change henceforth the old tradition
And spurn the dust to win the prize

**So comrades come rally
And the last fight let us face
The Internationale unites the human race.
So comrades come rally
And the last fight let us face
The Internationale unites the human race.**

~~No more deluded by reaction
On tyrants only we'll make war
The soldiers too will take strike action
They'll break ranks and fight no more
And if those cannibals keep trying
To sacrifice us to their pride
They soon shall hear the bullets flying
We'll shoot the generals on our own side.~~

Refrain: So comrades,.....

No saviours from on high deliver
No trust have we in prince or peer.
Our own right hand the chains must sever
Chains of hatred of greed and fear.
Ere the thieves will out with their booty
And to all give a happier lot,
Each at their forge must do their duty
And we'll strike while the iron is hot.

Refrain: So comrades,.....
