Old Business:

The electronic speed sign was received and taken out of the box. There was a discussion if the borough had poles that could be used or if they needed to purchase new poles. Mayor Dale Palmer said that there should be poles available to install for the sign. The Department of Transportation requests that they are informed when the sign is moved from one location to another. It was requested that we hold an informational session at a meeting in the future with the sales representative, John Painter, to learn how to use the sign properly.

Broc Forbes removed a limb that was hung up in the tree by the borough garage after a recent storm.

Carol Bastion made a motion to look into having signs implemented for no Jake Breaks in the borough limits with no time limit. Lorelei Colton Second the motion.

Penelec needs to be contacted to install a new light pole on Cemetery Road.

The Park Dumpster will be picked up as needed. Carol Bastion will contact Casella as the dumpster needs emptied.

The Handicap swing at the park is tabled for Spring 2022.
