VRAAG 6 (13)

Application of tour and route planning together with the budget of a trip Read the following scenario and answer the questions that follow.

Elmané and Aneri will travel to Europe for the December holidays from 14 Dec 2022 until the new year. They will be traveling with another group of tourists, as this will be their first time in this foreign continent. This makes it so much easier for them as they do not have to worry about all the bookings and details of the trip as the travel agent arranges everything on their behalf and they are only expected to pay a lump sum for the package which includes transport and all meals.

They will have to budget for activities that they are going to enjoy in Europe. Various activities are included in the additional tourist profile set by the travel agent.

Convert the final amount for the day to Rand if the exchange rate for one Euro is RIS,97.

Day two of the itinerary should be compiled from the following ideas in the collage. Use it to answer question 6.3. Use Addendum A for additional information on the activities.
