ONE SA IS RECRUITING IN CAMEROON

apply to : direction@one-saholdings.com

A Mine Shift Foreman, the individual will be responsible for supervising and coordinating the activities of workers engaged in the extraction of iron ore in the mine, ensuring safe and efficient mining operations.

Key Responsibilities :

- Supervise and coordinate the activities of workers in the mine during their shift, ensuring optimal productivity.
- Implement and oversee mining plans and schedules in line with the project's two phase development plan.
- Ensure the safe and efficient extraction of iron ore during their shift, complying with local, state laws, and regulations, as well as international best practices.
- Coordinate with the Mining Manager and General Mine Foreman to implement the mining strategy for the Project.
- Monitor mining operations during their shift, identify potential issues or areas for improvement, and implement solutions to enhance efficiency and safety.
- Assist in the training and development of mine workers, ensuring they are equipped with the necessary skills and knowledge to perform their duties safely and efficiently.
- Enforce safety regulations and guidelines to maintain a safe working environment for all mine workers.
- Create and maintain comprehensive documentation of mining activities during their shift, including reports and logs.

Qualifications :

- High School Diploma or equivalent. Additional certification in mining or a related field is a plus.
- Significant experience in a mining environment, with a focus on supervisory roles.
- Strong understanding of mining operations, processes, and safety standards.
- Practical knowledge of mining equipment and machinery.
- Excellent leadership and team management skills. The ability to motivate a team and manage conflict is crucial.
- Excellent problem-solving skills. The ability to make sound decisions quickly is essential.
- Ability to work under pressure and adaptable to physical and environmental conditions of a mine.

Personal Attributes :

- Detail-oriented with strong organizational skills.
- Strong team player with the ability to lead and motivate a team.
- High level of integrity and dependability.
- Proactive in identifying issues and implementing solutions.
- Strong customer service mindset with a focus on safety and efficiency.
