S p i r i t u a l	W O R D k n o w	I can't understand what the Bible is saying.	I am familiar with the main parts of the Bible: Salvation, 10 Commandments, be a good person, but I don't get into the deep stuff.	I understand the Bible and see ways that it instructs my life to better follow Jesus.	I can teach others what God's Word says.
	W O R D f e e l	I'm not interested in what the Bible says.	I understand the Bible, but I don't like the parts that expect me to change.	I seek out God's Word in the decisions I have to make. It is my #1 source of wisdom and guidance.	I desire for others to know the Truth of God's Word.
	W O R D d o	I don't read the Bible or even know where to start.	I struggle with how to study the Bible and knowing what to apply to my life.	I regularly read/study God's Word in order to apply its Truth to my life.	I help others study God's Word.
C h a r a c t e r i s t i c s	G O D k n o w	God is a confusing mystery to me. I don't "get" Him.	I know God is there.	I see God working in my life.	I can recognize God working in others.
	G O D f e e l	I'm not really interested in God.	I am glad that God loves me. I am so blessed that He is there for me!	I love God because of who He is.	I am willing to sacrifice my desires for His.
	G O D d o	God has no effect on what I do or don't do.	I turn to God when I need Him.	I spend time with God regularly through prayer.	My life is producing the Fruit of the Spirit.
L I F E S T Y L E	L I F E k n o w	I don't think about right and wrong. "Wrong" is only if you get caught.	I know what is right and wrong; I know what I'm supposed to do and not supposed to do.	I know that I can't be righteous apart from Jesus Christ. Every day I must surrender my decisions and actions to Him.	I am able to mentor/disciple other believers.
	L I F E f e e l	I make my own decision, based on what I feel is right for me.	I am in a losing battle with my desires between finding pleasure in God and turning to other things.	I desire to honor God with my life.	I have a deep concern for others to live lives that honor God.
	L I F E d o	I do what I want to do.	I find myself sinning because of my own poor choices.	I safeguard my life from temptation. I run from sin. I pursue righteousness. When I sin, I confess and repent.	I come along side others to help them in their walk with God
