

It will be an honor and a pleasure to officiate at your wedding . What a special time this is in your lives as you look joyfully over the blessings in which God has bestowed on your lives.

In this section are two sets of questionnaires. One questionnaire is the Agreement for the Wedding itself and the other is a questionnaire for your wedding. I know that some questions seem to repeat however one set will be for our meetings to plan your ceremony if you choose . Please complete the questionnaires and return them to me as soon as possible.

My fee for the wedding is \$. This would include a meeting with you , and we would put together a wedding just for you. Prior to the wedding I send you out a sample ceremony complete with vow choices, ceremony extras, etc... as well as a wedding planning book for you to use, if you do not already have one. We would review and go over the ceremony until it is perfect just for your wedding. This meeting is usually scheduled at your home on Monday evenings. If we need more than two meetings there wouldn't be a problem as long as we are able to schedule accordingly. We would also schedule in the dress rehearsal, if you are planning on one.

Please complete both packets and return them to me . If you would like to schedule your first meeting please give me a call so that we may schedule it. If you have any any questions or need to reach me, my cell phone number is 857-364-1059 and you can leave a message any time and I will get back to you.

As a suggestion to you and your fiancé in the meantime, you are both no doubt invited to other weddings where you would see and get ideas. Jot them down, and if you would like to incorporate them we could. This is your wedding that we will create, and let us make unique.

May God bless you during this time of engagement and preparation for your upcoming marriage.

In Christ's abundant love,

Rev. Dominic Bartholomew
