Jana:

Where is your farm, Tomas?

Tomas:

It's in East Cornwall, near Altarnun. That's fine land, but farming is never easy work!

And you're an optician, Jana. Where is your practice?

Jana:

I'm in Falmouth. The town's quite busy, and the practice is a good one.

Tomas:

No doubt of that. Ah, at last! The presentation's about to begin.
