A Big Shout Out and Thanks to those that have already volunteered this season! There have been 38 of you so far. If you haven't had a chance yet you could be next!

A get well card was sent to Renee Steinpreis. Sympathy cards were sent to Cheri Theil, Kathy Hendricks and Kelly Johnson for the loss of their fathers.

If you know someone would like a card, please text me at (501) 915-2197 or email me at mrcrawshaw@yahoo.com.

PRESIDENT'S MESSAGE:

July is here, and the heat that comes along during mid-summer is no joke! Don't forget to dress correctly and bring supplies to counteract the sun's often oppressive hold on our beautiful Village during this phase of the golfing season. Some reminders to help us beat the heat include teeing off early, hydrating, waiting in the shade, dousing ourselves with cooling towels, wearing wicking fabrics, and covering our heads. Let's stay safe and healthy while we play our way through summer's dog days.

Our Summer Swing 2024 is just around the corner! With a full field, the tournament is sure to be a big success. Thank you to all our committee members for joining in to ensure all goes smoothly for this highly anticipated event. You're the best!

Our July board meeting is scheduled for July 10th at the Coronado Center Room 3. We invite you all to attend and get a taste of what goes on behind the scenes within our association. We are always open to new ideas! Additionally, if you are contacted to hold an office or chair a committee, please give this offer serious consideration. Our organization needs willing bodies working together to provide the quality activities that we all enjoy. If you're asking "What's in it for me?", believe me, the rewards are many—making new friends, developing new skills, broadening our horizons, and making a difference...just to name a few.

Stay safe out there and enjoy your golf!

Shaun Anderson

UPCOMING TOURNAMENTS: Rebecca Huber

The Arkansas State Golf Association is your GHIN provider, supports the ratings team that measure and rate golf courses, provider of the Arkansas Golfer magazine and the home of the Arkansas Golf Hall of Fame. The ASGA also has a full slate of tournaments for women. Make sure and check out these events when you receive your Monday Mulligan.

Crush Cancer:

Jennifer Joyce

**GETTING TO KNOW YOUR WGA
CRUSH CANCER Committee Chair**

Do you like to give back?
Do you enjoy coordinating a project?
Are you passionate about making a difference?

If you answered yes to these questions you will want to keep reading. The role of the Crush Cancer Committee Chairwoman is to organize and execute a successful play day tournament. It begins with getting volunteers to be on your committee (4 or 5 helpers works well), then follow the existing documented process or create your own.

Our committee divides and conquers the following tasks: communications with members, donations from supporters, physically creating baskets for raffles/auctions, follow-up with donors to collect donations and send out thank you notes, and hands-on logistical tasks the day of the event. The tournament is usually in May or June, so the process can begin at the start of the year to get a jump-start on donations. The busiest part of being the Chairwoman is just staying organized and helping to orchestrate and track the things your committee is working on.

If you are interested in learning more about this awesome and fun role, please email me at jennifer.ann.joyce@outlook.com. I would be happy to answer questions or have you assist and cut your teeth by joining us in 2025 (as I hope to run it one more time before I pass the reins).
