CRUSH CANCER:

Jennifer Joyce

Well ladies, we got a little rain (and thunder and lightning), but the Crush Cancer Play Day at DeSoto on June 12th was a HUGE Success. The soggy tone of the day definitely did not dampen your spirits. You all showed up to support the wonderful CHI St Vincent Foundation and helped us exceed our goal of raising \$10,000 to help them purchase the immobilization equipment to be used during radiation treatments for their patients.

In fact, after all proceeds were reconciled & one last donation received, we raised \$15,647 thanks to your generosity and enthusiasm. WOW!

It is very humbling to be able to see the outpouring of compassion and the opening of your checkbooks for such a great cause. For this, we thank you!

Cancer impacts each of us in different ways and it is very nice to be able to be a part of our WGA18-Hole organization to support CHI with these donated funds. Our committee was amazing and we could not have done any of this without you, the members!

By the way, we are already starting to think of ways to approach 2026. If you would like to be on the 2026 Crush Cancer Committee, please reach out to Jennifer Joyce at jennifer.ann.joyce@outlook.com and let me know.
