31 CANDICE RETZER

President's Message

What perfect golf weather we are having! As our league play day calendar ends this month, we still have two great events with our Club Championship and Member-Member. We are hosting the Diamante WGA 18 on our 1 October play day at Magellan. The Diamante WGA 18 has also invited us to play on their play day, Tuesday, 13 October at 9:30. The cost will be \$80 including trail fee with personal cart or Diamante cart rental.

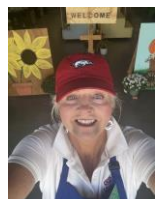

The Golf Department has our 2027 schedule for next year. We went back to 7:56 for the first tee time. We have had many cancellations with earlier tee times, so we are hoping this will create only emergency same day or day before cancellations. We also had several members in our surveys request later tee times.

This has been an experimental year with some wins, improvements, and some disappointments. I am honored to have served as your President this year. I look forward to continuing my service to HSV WGA 18-Hole in a different role in the future. I would like to thank our board for all the hard work and hanging in there when the going got tough at times. You are to be commended for being strong and resilient. I also want to thank our members who hung tough this year with lots of changes, you showed your true commitment to our league by continuing to support and play on our play days. Without YOUR compassion and commitment to our league and its members, we could not have accomplished all we did this year.

Thanks for all the support!

Tammy

Tammy Hutchins-Frye

🌈 October Partner Spotlight

As we look forward to our Member-Member tournament in a few weeks, let's recognize – and celebrate – our two Platinum partners who are sponsoring this tournament...

River Valley Golf Carts has been a friend and major sponsor of our WGA18-Hole league since 2023! They have the largest inventory of golf carts in central Arkansas, and provide financing, cart rentals, and service from their 3 locations. They specialize in new and pre-owned golf carts, providing a wide selection of carts for both recreational and commercial use. Whether you're looking for a golf cart for personal transportation, resort use, or the golf course, they have options to meet your needs

River Valley Golf Carts is now in Bryant, Conway and Stuttgart! Not only do they have new and used 2-seat carts for golf, but have a line from Denago with 4 and 6 seat cart options to serve your family's needs.

This family owned business loves our WGA18-Hole ladies! Call or visit Jonathan, Natalie or their dad, Randall, with questions regarding your cart needs!

UAMS Health

A new partner for 2026 is UAMS Health in Little Rock! We're excited to have them as a partner for the Member-Member. They will be attending our tournament and sharing important information on their support of the latest screening and treatments for breast cancer during National Breast Cancer Awareness month in October.

With a full range of specialist and services needed at every stage of life, UAMS Health is dedicated to improving women's health services throughout Arkansas. From yearly exams to the most advanced specialized procedures, their providers work to build a personalized treatment plan, whatever the health needs.

WELCOME UAMS!

Our heartfelt condolences go out to Priscilla O'Malley on the loss of her sister and to Deb Gomez on the loss of her brother.

Sending best wishes for a speedy recovery to Sharon Montgomery following her surgery.

If you know someone who would appreciate a card, please text me at 505-980-1507 or email me at corncandie@aol.com.
