Some news to share in Feb. 2025

- The two carpenters/builders have worked at St Anthony's for eight days now. They will continue working for another week and will return when we have saved some money or won the lottery. They are very skillful and good workers.
- I am very grateful for your cards, presents, donations, good wishes and last Sunday's party in the Parish Hall to celebrate together my 80th birthday. I know that it required some initiative and a lot of effort to organize the party. A big thank you to you all!
- The church thermostat has been lowered from 19.5* to 18.5*. Some parishioners advised that the church temperature was too high.
