## HCPT trip to Lourdes - Daniel Hay

"Going to Lourdes was truly an unforgettable experience, one I would never have had without your incredibly generous donations! Visiting such a beautiful place alongside such beautiful people was a gift. Playing and performing for the children was so rewarding and it meant that I could truly understand what both music and holy places, such as Lourdes, can do for people.

When I wasn't performing for pilgrims at airports, cafés and at Mass to thousands of children and volunteers, I met so many wonderful people including our very own Bishop Nicholas, who you'll be glad to know is absolutely brilliant. I've made so many friends from all over the British Isles.

Most importantly, I received plenty of opportunities to develop my relationship with God: lighting candles at the grotto, going to Mass, adoration, assisting with the Eucharistic procession and processing in the torchlight event too! A truly wonderful experience that I will treasure. Thank you for all your support in making this possible for me."

## HCPT Pilgrimage 2026

Thank You from Dan, Colin and Jenny. We would like to thank our parish community for your prayers and support during the HCPT Pilgrimage 2026. It was a truly uplifting week for the three of us, filled with joy, companionship, and the unique sense of peace that Lourdes offers.

It was so special to take your prayer intentions to the Grotto, where we lit candles for the parish and remembered each intention before Our Lady. It was a privilege to carry your prayers with us.

Throughout the week we experienced the very best of HCPT — the welcome, the laughter, the care shown to every child and adult, and the deep sense of faith shared by all. We returned home grateful for the blessings of the pilgrimage and for the support of a parish that journeys with us in prayer.

Thank you again for keeping us in your thoughts. Over the coming weeks, we hope to share some photos from the pilgrimage in the parish hall and in the newsletter, so you can see a little of what we experienced.
