You replied to this message on 20/04/2022 13:03.

Dear [Redacted]

Thanks, my preference would be to keep the viva this week if possible (but I'll now have to join online).

If however the student insists on it being face-2-face I can propose some new dates for me to attend in person. Thanks.

Dear [Redacted]

Further to our previous correspondence, I am very much aware that no real decision seemed to be made about the date of this viva and whether in fact it would be possible to conduct it in person.

Dear [Redacted]

Further to our previous correspondence, I am very much aware that no real decision seemed to be made about the date of this viva and whether in fact it would be possible to conduct it in person.

I know the original date was set at 22 April 2022 but as nothing was agreed, the student hasn't been provided with confirmation of the date, what would you like to do? Would it be better to agree a different date? [Redacted] would you like to keep this weeks date if possible?

Many thanks

Viva Arrangements for Geoffrey Blanche 946484 - MSc By Research

Dear [REDACTED]

RandR Form MA MSc LLM by Research Standard Nov2021.doc 208 KB

Just to confirm with you that the viva for the above student has been arranged for **Monday 23 May 2022 at 1pm. Room 010 in Engineering North** has been booked for this viva and all parties have confirmed that they will attend in person. (Please note that the Room has been booked from 12pm should you want to get together prior to the viva).

Please speak to the student before the viva. We recommend that you organise a Zoom meeting with the student prior to the viva so that you can explain the format and timescale of the viva.

The student must be asked if there are any extenuating circumstances, explained the purpose/ structure of the viva and the role of the examiners.

At the end of the viva when informing the student of their result, please can you make it clear that they can liaise with their supervisor as much as they want with regards to their corrections however there can be no liaising between the examiner/s and student. The student will send the final corrections to the PGR Support team (pgr-scienceengineering@swansea.ac.uk) by the deadline and the team will forward the corrections onto the relevant examiner who will decide if the award is a pass or fail.

We ask that that the student is sent any corrections and the Report and Result form is fully completed within a week after the viva.

Viva For Geoffrey Blanche (946484)

Dear [REDACTED]

Bay Campus Map.pdf 822 KB

RandR Form MA MSc LLM by Research Standard Nov2021.doc 208 KB

I understand that you have recently been appointed as the External Examiner for the viva examination of Geoffrey Blanche (946484) and that a copy of the thesis entitled: *An Investigation of the Photoelectric Effect to the Endothermic Electric Effect during the Electric Field Charge* has been sent to you via OneDrive previously. Can you please let me know when you have received it, if you have any difficulties in accessing it, please let me know and I will do my best to help you.

The viva has now been scheduled for **1pm on Monday 23 May 2022**, in Room 010, Engineering North, Swansea University Bay Campus, Crymlyn Burrows, Fabian Way, Swansea SA1 8EN. (Please see the attached Map of the Bay Campus)

We ask that that the student is sent any corrections and the Report and Result form is fully completed within a week after the viva. The Report and Result form will need to be typed and signed electronically.
