Quality Care New Years Edition: Message From the Director

As Executive Director of Quality Care Residential Homes, Inc. I have the opportunity to work with compassionate and dedicated staff, mental health experts, medical professionals and community partners who share the mission of providing the highest quality of care and commitment to youth and families. The approach at Quality Care is one of teamwork.

As we close on a challenging year of trying to find solutions to the pandemic, politics and racial equity there is hope in the realm.

Hope through the eyes of our youth we serve daily. This gives us all the strength to continue our initiatives to improve families and children daily.

As we embark into the new year of 2022, positive change is on the horizon, together we will continue to strive for excellence as we serve the community. It is my honor to serve as the Executive Director for Quality Care Residential Homes, Inc. as we commence into 2022.

Rev. Desmond Johnson
