## Quality Care Summer Edition

The teens at Quality Care Residential Homes are always striving to obtain growth in the area of independent living. As we segment into summer youth are engaging in several fun activities that enrich their development in that area. The youth are currently enrolled in Independent Living courses through Opportunity Passport of the YWCA Greater Cleveland. This allows youth to gain knowledge in financial literacy, understanding the banking system and savings as well as incur knowledge to become financially independent one day!

*"It is often the small steps, not the giant leaps, that bring about the most lasting change."*
