

MIXTAPE MATCH FAQ

What are the three rounds like?

A: Each round plays similar to traditional bingo. But instead of the host calling letters and numbers, he/she plays songs. Each round is a different musical theme. Some examples of round themes are... '80s Music, TV Theme Songs, Classic Rock, Current Hits, '90s Alternative, One-Hit Wonders, Hair Bands, Old School Hip Hop, etc.

Do I need to know the names of songs and the artists?

A: No. This is not music trivia. The names of the songs and the artists will be announced.

Do I need to play all three rounds?

A: No. But, we'd like for you to play all three rounds.

How much does this cost?

A: Players must buy Bingo cards for each round. They are \$2.00 each, or 6 cards for \$10.00. The more cards you buy, the better your chances of winning. All the money goes into the winning pots for the rounds. The more players, the bigger the pots.

How do the prizes work?

A: Players will need to purchase bingo cards before each round.

The Round 1 Prize will be 50% of the money taken in from bingo card purchases for that round.

The Round 2 Prize will be 50% of the total money taken in from bingo card purchases for that round added to the 50% from the previous round.

*The Round 3 Prize will be 100% of the total money taken in from bingo card purchases for that round added to the 50% from the previous round. **Winner Take All !!!***
