Children's Camps

The mission of South Mountain Baptist Camp is to assist the Church to reach people for Christ and to develop young disciples that will be effective in impacting our culture and carrying the gospel throughout the world.

At SMBC staff and worship leaders provide strong, loving, Christian leadership in a heart-softening and safe atmosphere. Campers are guided, challenged, and stretched to become who Christ created them to be and to yield to His plan for their lives. Every element of the camp experience is prayerfully chosen so that God's Spirit might be free to move and campers free to respond to His voice. Drawing campers into a relationship with Jesus is our number one priority. We provide the following to reach this mission: Bible-based program, smaller camp size, great service, full program, delicious meals, and affordable cost. Children come as a church group with chaperones from your congregation. Our staff lead the program while your adults participate and build relationship with your campers that last year round!
