IMPORTANT NOTES

Starting Sept 2026, We are using a Hybrid Calculated Index

Its based on both the old index from old system, and the new index from Squabbit, until each member has 20 scores in Squabbit.

Be sure to confirm you can log in to your account, and add non-AGO scores.

If a GHIN number listed (highlighted in Blue), we will use the current index at the time the Pairings are completed on the Tues/Wed before the tournament.

Remember, You must add you AGO Scores to your GHIN account.
