## *Summer Reading List--Clay County Christian Academy*

### **10<sup>th</sup>-12<sup>th</sup> Grade Students**

Each year, the students at CCCA will be required to participate in summer reading to help reduce summer slide. Research has shown that summer slide happens over the summer when students forget most of the information they've learned throughout the previous school year. Summer reading helps students retain the information they learned during the school year. It is **NOT** a punishment, and the purpose is not to finish it all in one day. Students should spend at least 15-20 minutes a day reading and annotating their books. After each book, they will complete **ONE** Choice Board task for **EACH** book.

Students should turn in **TWO** assignments (one choice board task per book) by or on the first day of school. If the assignments are turned in after the first day, the highest score they can receive will be 60%. Each assignment will be worth 100 points. Below is a list of books for 10<sup>th</sup>-12<sup>th</sup> grade students:

*Prison to Praise by Merlin R. Carothers\**

*Mere Christianity by C.S. Lewis\**

*Do Hard Things by Alex & Bret Harris\**

*When God Whispers Your Name by Max Lucado\**

*Hope When Life Unravels by Adam Dooley\**
