Sofia Medeiros "Dream"

George (Dumandan) could be seen almost daily roller blading around his home town of Burlingame. He loved reading books (mostly on art), listening to music, playing guitar, and attending Saturday morning art

class at the Rec. But probably most of all, he loved teaching his drawing classes. George was truly devoted to family and friends, often taking his sisters for walks, spending weekends with his brother and playing music on weekend nights with his S.F. high school buddies. A long time BAS member, he rarely missed a meeting and graciously volunteered to help out whenever he was needed...and that was often. George was a U.S. Army veteran and among his other accomplishments were earning a private pilot's license and achieving a black belt in Okinawan karate.

It will be hard to go back to Saturday morning art class & our BAS meetings without him being there, but George will always be there in our hearts. 

Anastasia (Cole) was well known and admired in the Burlingame community. She taught for many years at the Burlingame Rec. Center, and her home studio

art classes were very popular as were her evening classes. She also taught at the Foster City Rec. Center. She held many art shows and was involved in the popular Open Studio events. Anastasia was a BAS member for as long as we can remember. Friendships were very important to her and friends were always welcome in her beautiful Burlingame home. We remember her annual, well celebrated Christmas parties and seeing her walking daily with her dog in Washington Park. Anastasia left a big impression on many in the local art community. She will surely be missed and will never be forgotten.

*A Celebration of Life for Anastasia will be held at the Lions Club Hall (2:00 pm on August 14th)

Offers a 10% discount if you mention being a BAS member at the point of purchase. Open Mon-Sat 9.30-6 pm, Sun 11:00-5 pm
