President's Message

Dear Members,

I am so sorry to have to report the sad news that we have lost our good friend and fellow BAS member, Pat McMorrow. I met Pat soon after joining the Burlingame Art Society and knew immediately what a great person she was. She volunteered on the BAS Committee for years and even when she wanted to stop volunteering she would come back and help because she knew we couldn't find anyone else to. She was a wonderful, fun lady and we will surely miss her. Rest in Peace, Dear Pat...

I hope you are all taking good care and staying healthy.

Diana

A reminder that in these times of Covid-19, while we are not able to gather for our monthly Demo/Competition meetings, we are attempting to keep our BAS "Artist of the Year" competition going. So, enjoy the next few pages of numbered paintings & then please **promptly** email a vote for your favorite to: dayglynn@aol.com The painting with the most votes will be awarded the monthly Popular Choice ribbon & will then be eligible to enter in the competition for the "2021 Artist of the Year".

There was seldom a time when Pat McMorrow was in the room that you weren't hearing laughter and that was due to Pat's amazing sense of humor. Pat painted mostly in pastels and created wonderful paintings, many of which depict animals. She was a member of BAS for

many years and was previously a long time member of the now disbanded "30 and 1" art group in San Mateo. She graciously spent much of her time volunteering on the boards of both groups. Pat was also a member of SWA and many Burlingame residents knew and loved Pat from her nearly 20 years of work in the office of the Burlingame Recreation Department.

BAS Member's Projects

For the past few years, BAS member, Olga Parr, has been collaborating to design & create eleven new windows for "The Burlingame Orthodox Church of All Russian Saints". Most of us have driven past this beautiful church on El Camino in Burlingame for years. This image is of one of the recently completed windows. It represents a story of what the mother Pelican must do to feed her babies when there is no food. What an absolutely gorgeous design...

Cal, short for "Calcium", came to paint with the art class at the Burlingame Recreation Center last Tuesday. BAS member, Lou Maraviglia, sat and checked out Cal's painting...
