### Burlingame Art Society In-Person Meetings Are Back !!!

YAY!!!

This month, after two and a half years, we are finally ready to resume our in-person group meetings, and we're sure looking forward to seeing many of you there as we welcome guest demo artist and BAS friend, Guy Magellanes. He plans to demonstrate a Watercolor landscape which includes a beautiful sky, a nice big tree and...Guy says he has a great technique for painting grass, to share with us. The meeting will take place on **October 8th from 1:30 to 4:00 pm, in the beautiful art room on the second floor of the new Burlingame Community Center building ( 850 Burlingame Ave., Burlingame).** Don't forget to bring one of your current paintings to participate in the monthly competition. FYI: there is extra parking underground with an elevator to all floors.

**Next Committee Meeting will be October 6, 2022, 3:30pm at Sherry's home.**

## **President's Message**

Dear Members,

**We're Back!!!...I'm so happy that we will resume our meetings this coming week. Sorry for the short notice, but it took some planning to pull it all together and I really didn't want to wait another month to get started.**

**I'm very thankful to the Burlingame Community Center for accomodating BAS with this wonderful space to meet. As I've been teaching painting classes in the art room of the new building, I can tell you that it is the perfect place for our meetings. The room, having huge windows (overlooking the park behind the building), offers more lighting than we could ever need to help show off our lovely works of art. That is definitely something that we haved lacked. Also, we are hoping that the change from weeknight meetings to Saturday afternoons, will allow more of our members the ability to participate and more often.....no more having to drive in the dark. So, try to**

**keep the second Saturday of each month open for a fun afternoon with your fellow BAS members.**

**And, please join us for our first, in-person demo/competition meeting since March 2020 this coming Saturday, October 8th.**

**I'm looking forward to seeing you there.....**

*Diana*

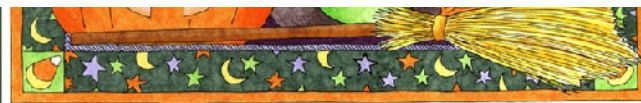

### **Regarding Monthly Awards**

**As you know, since we have not been meeting in person, we've been awarding our Popular Choice winners by voting on-line. Now that we are back to in- person meetings, we will stop the on-line voting next month. But since some of you had already emailed images for the October Palette, we will (just for this month) have 2 separate Popular Choice votes, one on-line and one at the Oct. 8th meeting. This just means, the more the merrier for this year's Artist of the**

the merrier, for this year's Artist of the Year competition...
