## **Up NEXT**

Since Judy Gittelsohn was ill in April and had to cancel her demo that month, she promised to come in June. Judy paints in acrylics and says that she approaches painting as an enthusiastic exploration of color & form. She works with Golden Paints as a Certified Working Artist, teaching the properties and uses of the Golden company's outstanding products. Judy enjoys teaching art and especially teaching artists with special needs.

Be sure to join our BAS meeting on **Saturday, June 10th from 1:30 to 4:00 pm**, in the Fine Arts Room at the Burlingame Community Center, 850 Burlingame Ave. Hope to see you there.....

Next Committee Meeting will be June 8th, 2023, 2:30pm at Sherry's home.

# President's Message

Dear Members,

The first thing I want to mention is how much fun we all had at our May (Appetizer/Critique) meeting. I did not expect and was so impressed with the amount of paintings that fellow members (twenty of you) brought to participate in the critique. Almost like the old days before Covid hit. Even some new members participated, and I'm not positive, but it may be the first time that a very unfinished painting won a ribbon. I was also impressed with the appetizers which many of you contributed, they seemed to be very well thought out. I think we all love our Appetizer/ Critique meetings.....don't we?

As a reminder, BAS takes a two month break in summer, so there will be no meetings or a newsletter in July and August. Our next meeting after the break will be on September 9th. Even though we have this break, some of us will need to continue working (hopefully not just me), as we recently got a date (in late September) from the Community Center for our 27th Annual Art Show. Remember we are overlooking the Covid Years. So expect to receive some emails in the next few months with information detailing things like; how to enter, show rules and how you can help etc. I mentioned at our May meeting that the Community Center is hoping for a BIG, SPLASHY show, so please plan on entering up to a few paintings to help us make it BIG & SPLASHY!!! *Diana*

## Volunteers

As a reminder to all members the Burlingame Art Society is solely managed by volunteers and we can always use more help for jobs that need to be done to keep us going. We hope that you will consider joining our wonderful group of volunteers that take on these tasks. For more information please feel free to speak with anyone on the BAS Leadership Committee.

# MEETING RECAP

What a meeting we had in May. It happened to be our first Appetizer/Critique since 2019 and every one had such a good time. We started out the meeting enjoying some yummy appetizers that many members thoughtfully brought to share.....

check out the layout, at right. Then we got to listen to our good friend Joyce Faulknor critique 20 wonderful paintings. She even told us that we are her favorite art group and she loves who she gets to visit with us. The feeling is mutual, as we love her great personality & terrific sense of humor.

Offers a 10% discount if you mention being a BAS member at the point of purchase. Open Mon-Sat 9.30-6 pm, Sun 11:00-5
