Up NEXT

Come join us for our next BAS meeting on **Saturday, November 11th** from 1:30 to 4:00 pm, in the Fine Arts Room at the Burlingame Community Center, 850 Burlingame Ave., Burlingame. **Hope to see you there.....**

We will be welcoming Deborah Shea as our guest artist for the November meeting. Deborah often paints large florals and mostly with pastels. She says she is inspired by the natural world and loves to capture all of the beauty in florals, working with the

abstract shapes of the flower centers and the petals. She finds painting the lighting and transparency of flowers to be an artistic challenge. Her quote: "After dealing with the arduous and stressful time, related to the pandemic, individuals are re-establishing relationships with others & nature. Flowers have long been symbols of energy and hope of this engagement and reinvigoration."

Next Committee Meeting will be November 9th, 2023, 2:30pm at Sherry's

President's Message

Dear Members,

After a very quiet September meeting (I assume many members were busy that day), we had a fantastic turnout for our October meeting with a total of 38 attendees. It's been a long time, definitely before the pandemic hit, that we've had such a good turnout and it feels good to see everyone at the meetings enjoying themselves. With the addition of many new members, there seems to be a bit more of a buzz in the air. My aim, during my time as President of BAS, is to keep that buzz going.

As a heads up, and so that you can put it on your calendars, I wanted to mention that the December BAS meeting will be our combination Holiday Celebration/Critique meeting and it's also when we present a fellow member with our 2023 Artist of the Year award. A list of the eligible paintings will be in the December Palette or in an upcoming email. Reminder that if you have won first place or popular choice at one of the 2023 monthly meetings, that painting is eligible to compete for the Artist of the Year award, but remember only one painting per member. So, try to save the second Saturday in your busy month of December and be a part of our fun Holiday meeting.

I hope you will all enjoy the pages of reminder pictures from our recent Annual Art Show. They will be saved on the BAS web-site under the "Gallery" tab, along with images from many other past year's shows.

Volunteers

As a reminder to all members the Burlingame Art Society is solely managed by volunteers and we can always use more help for jobs that need to be done to keep us going. We hope that you will consider joining our wonderful group of volunteers that take on these tasks. For more information please feel free to speak with anyone on the BAS Leadership Committee.

MEETING

RECAP

We had a great October meeting when our friend Gary Bukovnik came to visit. While continuing to work on a previously started, and by the way, gorgeous painting, he offered answers to any question we came up with. He

told us how he started painting flowers at the age of four, along with many other stories about growing up and events that led to his success as an artist. Gary has had shows/exhibitions all over the country and the world. And with all of his success he is one of the nicest and most humble people you could ever meet. His gorgeous hard cover books are laden with images of his beautiful floral paintings. Check out Gary's web-site where you can view more of his work, a few videos where he tells some of his stories, and see his great San Francisco studio where he paints for hours every day while listening to his music. www.garybukovnik.com
