Come join us for our next BAS meeting on Saturday, June 8th from 1:30 to 4:00 pm, in the Fine Arts Room at the Burlingame Community Center, 850 Burlingame Ave., Burlingame. Hope to see you there.....

**Up
NEXT** For the June meeting we will be welcoming guest artist, Julia Munger Seelos, to demonstrate her techniques for painting one of her wonderful landscapes. Julia has devoted herself to painting full time for the last dozen years, after a full career as an art director in retail store design for packaging, store design and sales promotion (in San Francisco), allowing her to travel throughout Europe and Asia. Julia works alla prima, using oils to catch the quickly changing light and shadows. She paints the rural countryside of the California central coast, the dramatic canyons of the Southwest & more. To see more of Julia's work, check out her website at: juliaseelosgallery.com

Next Committee Meeting will be June 6th, 2024, 2:30pm at Sherry's

President's Message

Dear Members,

Fellow BAS members that participated in our one day paint-out and dinner on May 25th, had a great time. Some of us did paintings and some did drawings during the day, after which we then met at Sapore restaurant in Burlingame, for a delicious dinner and lots of fun. The staff was kind enough to set up a separate table for us to share eachother's work from the day. Even others, including diners and waitstaff, came to look and enjoy. You can see a few pictures of the night below in this newsletter. Thank you to Gloria Mueller for organizing the event. Someone even mentioned that we should do it more often, so if you missed this one you might not want to miss the next one.

I bet you'd all agree that it's hard to believe the year is almost half over. I want to remind you that we take a break in July and August, so after our June 8th meeting we don't meet again until September. That also means there will not be a newsletter (Palette) after this one until September.....(Yay!!!, I get a break). After that we will begin planning for our Annual Show in October. And since last years show was such a success, I hope that you will take time in these next few months to work on some wonderful painting entries for this years show, so that it can be at least as successful. It would be nice if it could be even bigger and better.

Diana

Happy Summer

Volunteers

As a reminder to all... the Burlingame Art Society is solely managed by volunteers, which means we can always use more help with jobs that need to be done to keep us going. We hope that you will consider joining the wonderful group of volunteers that take on these tasks. **We are especially in need of help with programs at this time.** For more information please feel free to speak with anyone on the BAS Leadership Committee.

MANY HANDS MAKE LIGHT WORK!

BAS Membership Reminders

In order to compete in the BAS monthly meeting competitions, you must be a paid member for the year.

If you know someone who is interested in joining BAS, let them know that we are working on lining up some excellent guest demo artists for rest of the year. Membership for the rest of the year is prorated, so anyone joining between July & September pays \$25 or between October & December it is only \$15. Then \$50 renewal in January.

2024 BAS Paint-Out Day & Dinner

Here are some candid pictures from our Paint-Out dinner on May 25th... so much fun. Unfortunately, it was hard to get a good image of all of the work done, but we will have a display of the pieces from that day on the President's Table at our next meeting on June 8th. So you'll just have to come see them in person.

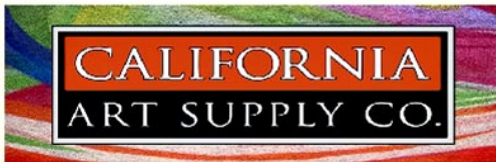

MEETING RECAP

Guest artist and oil painter, Paul Kratter had us laughing from the start. He told us many stories (most of them funny), having to do with his life as a plein air painter, as he painted this lovely landscape (at left) and also explained his process from start to finish. Using a fairly minimal palette, he was happy to tell us all about his color mixes and answer any question we through at him. Paul does not paint on traditional stretched canvas, but instead paints on linen covered Gatorfoam panels made by a

company called New Traditions Art Panels Inc., which are very light weight, easy to transport and to deal with when painting outdoors. He does not use paint mediums, only Turpenoid. Paul shared his all important sketch books, along with many other completed paintings that he brought along for us to see and potentially purchase. He was very generous, as he gifted three of his sketches (torn right out of his personal sketch books) along with his demo painting of that day, to four lucky BAS members, although there was a small price to pay.....the price for each was a kiss on the cheek..... 

Offers a 10% discount if you mention being a BAS member at the point of purchase.
