Up NEXT

Our summer break is over so we're getting back to our monthly meetings. For our September meeting we will be welcoming guest artist, Neil Murphy, to share his unique techniques for creating art with mixed media. Neil's bio is quite lengthy, his art education began at the University of Hawaii, then moving on to the San Francisco Art Institute & from there to a hands-on education resulting in visual design, audio engineering, and electronic music composition. In 1974 he began exhibiting his work as part of a group drawing exhibition at the SFMOMA, which led to solo exhibits in San Francisco, Arizona, New York and Paris. Web design presented itself as an immense opportunity for his creative impulses. Neil became the founding partner of Ghostdog Design, creating websites for numerous Fortune 500 companies including Oracle, Levis Strauss & Co, Kaiser Permanente, Stanford University and more. President's Message

Dear Members,

I hope this message finds you well and that all of you had a wonderful summer. Now that our two month break is over, it's time to get back to our art and our monthly demo meetings. During this break, I hope you've had the opportunity to recharge creatively and explore new inspirations, especially as we are looking towards our rapidly approaching 28th Annual Art Show where we really want to have a better than ever showing. I know we can do that since our society thrives on the diverse talents and perspectives that each of you brings. I am excited to see the incredible artwork that will undoubtedly emerge from our collective efforts.

So let us continue to support and inspire one another as we pursue our passion for art. Together, we can create meaningful experiences that contribute to the art community. Thank you for your dedication and commitment to The Burlingame Art Society.....going strong for 67 years.

I look forward to seeing you all at our upcoming meetings and events.

Diana

Volunteers

As a reminder to all... the Burlingame Art Society is solely managed by volunteers, which means we can always use more help with jobs that need to be done to keep us going. We hope that you will consider joining the wonderful group of volunteers that take on these tasks. **We are especially in need of help with programs at this time.** For more information please feel free to speak with anyone on the BAS Leadership Committee.

IMPORTANT BAS REMINDER!!!

Please be aware that the Burlingame Art Society's 28th Annual Art Show is scheduled for the third weekend in October. Since it is rapidly approaching, we hope that all of you are working on your wonderful works of art to enter into the exhibit. We want to have a big showing at the Community Center, as we did last year, so we need all of you to participate to make the 2024 show even bigger than 2023...

Congrats to BAS members, Jane Henri, Leona Moriarty, Maria Sky, Barbara Alger & Diana Day Glynn, who are also Society of West-Coast Artists (SWA) members, as all were accepted into SWA's prestigious 74th Annual Exhibition of Art. Special congrats to Jane Henri who was awarded "BEST of SHOW" for her painting.

Below is a copy of the hand written Thank You letter from the Burlingame High School student who is the recipient of the Burlingame Art Society's 2024 Scholarship Award.

Dear Burlingame Art Society,

I cannot begin to express how thankful I am to receive this scholarship from you. Since childhood I took joy in making art with clay and paper, indulging in small sculptures & drawings. To have my passion recognized by the Burlingame Art Society truly means a lot to me. Thank you for helping me feel seen.

With gratitude,
