Come join us for our next BAS meeting on Saturday, **February 8th from 1:30 to 4:00 pm**, in the Fine Arts Room at the Burlingame Community Center, 850 Burlingame Ave., Burlingame. **Hope to see you there.....**

**UP

Our February 8th meeting will not be one to miss, as we will be welcoming pastel artist Kim Lordier to demonstrate her incredible work. This magazine cover is just one of many that have showcased her wonderful art over the years. Kim's art examines the patterns of nature, and how light transforms the mood of an environment. Known for utilizing rich color and a tapestry like effect in her mark making, Kim weaves her spiritual relationship with the outdoors into her work. She is a Signature Member of the California Art Club, the Pastel Society of America, Laguna Plein Air Painters Association, and a Distinguished Pastelist of the Pastel Society of the West Coast. A coveted workshop instructor, Kim leads workshops all across the country and we are so lucky to have her come share her techniques with us.

Next Committee Meeting will be February 6, 2025, 2:30pm at Leona's home

# President's Message

Dear Members,

We work hard to find demo artist's that we hope all of our members will enjoy, even if they may not use the same medium as our guest artist. As you know, our members use all different media, and I personally feel that we can learn something from everyone, no matter their medium. I was so inspired by January's guest artist, Denise Howard, that I now have a beautiful new set of 120 colored pencils to play with. That being said, I thought I should put something out there to all of you. As artists, we often go to galleries and art shows where we come across other artist's work that we like, and you may even meet and talk with that artist. If any of you know of an artist that you think our group would enjoy, it would be great if you could please suggest them to the committee so we can look into them doing a demo for us.

I've noticed that some members have not renewed their memberships and I'm so hoping they still will. Our Membership Chairperson, Lisa Galaviz, will be contacting members soon with one last reminder. Please mail in your dues or bring the payment to our February meeting to continue being a BAS member.

## **BAS Volunteers**

As a reminder to all... the Burlingame Art Society is solely managed by volunteers, which means we can always use more help with jobs that need to be done to keep us going. We hope that you will consider joining the wonderful group of volunteers that take on these tasks. For more information please feel free to speak with anyone on the BAS Leadership Committee.

***MANY HANDS MAKE LIGHT WORK!***

## **Membership Fees Are Now Over Due**

The fees for your 2025 BAS membership are now overdue. Please mail your payment of \$50 to BAS, P.O.Box 1754, Burlingame, CA 94010. # MEETING RECAP

It was a first that our guest artist for January was a colored pencil artist, and a fantastic one at that. Denise J. Howard, is a wealth of knowledge when it comes to all things colored pencil. She explained all about the different kinds of pencils, options for papers that can be used, and other tools that she uses to create her wonderful works of art. Denise also brought pencils for us to try, along with many of her favorite books about the medium, including her own published book "101 TEXTURES in COLORED PENCIL" which she unfortunately forgot to mention during her presentation, but is available through her web-site or on Amazon.

We learned so much information from Denise, as she exudes her love for the medium, and her excitement is very infectious. To see her large, impressive body of work, check out Denise's web-site at:
