UP NEXT

You won't want to miss our June demonstration with guest artist and oil painter, Joseph Altwer.

Joseph grew up on the CA coast just south of S. F. He headed to Italy in 2005 to study at the Florence Academy Of Art. After graduating from FAA (in 2009), he shared a studio with 2 other artists, where he was introduced to landscape painting. In 2013 he moved to Spain where he taught drawing and painting during five years at the Barcelona Academy Of Art. With his interest of nature and understanding of drawing and color, Joseph has been moving from studio painting to working more outdoors. Whether it be a coastal landscape or the fleeting light over a garbage can, he sets out to capture what is in front of him. Now back in California, Joseph teaches workshops along with continuing to paint still life & landscapes of the California coast & surroundings. Check out Joe's web-site: www.nuancefineart.com

Committee Meeting will be June 12, 2025 at 2:30pm

President's Message

Dear Members,

As a reminder to you, this month's general meeting will be the last one before our July and August break. We will then be back in September. While you're painting during the summer, I hope you'll keep in mind that our annual art Show will be coming up before you know it, so you have something to work towards. And, by the way, it looks like we've secured a date with the Burlingame Community Center (fingers crossed that there are no goof ups this year), for the weekend of November 8 & 9 for this year's 29th Annual BAS Art Show.

Since BAS members were invited to enter the 2025 Millbrae Art Show in May, a couple of them did. So, congratulations go to award winners & fellow members, Anna Murphy, for receiving the show's 3rd Place award, and Lisa Galaviz, for receiving the show's Popular Choice award.

Wishing you all a wonderful, healthy and safe summer...

Diana

BAS Volunteers

As a reminder to all... the Burlingame Art Society is solely managed by volunteers, which means we can always use more help with jobs that need to be done to keep us going. We hope that you will consider joining the wonderful group of volunteers that take on these tasks. For more information please feel free to speak with anyone on the BAS Leadership Committee.

MANY HANDS MAKE LIGHT WORK!

BAS Membership

If you know someone who is interested in joining BAS, let them know that we are working on lining up some excellent guest demo artists for the upcoming meetings. Membership for the rest of the year will be prorated, so for any new member that joins between April & June the fee is just \$40.

Remember: In order to compete in the BAS monthly meeting painting competitions, you must be a paid member for the year.

MEETING RECAP

Our May, Appetizer/Critique meeting was complete with lots of goodies to munch on a nice critique by guest artist Dimitry Grudsky. His gentle critique had us all reflecting on each participating member's painting.
