Trust us when we say that you will not want to miss seeing our November 21st demo given by guest artist, Inna Chernykina'. Born in Sergiev Poad. near Moscow,, Inna discovered her passion for drawing and painting at an early age. Her father introduced her to impression, and at the age of 10 she passed the entrance exams for the Sergiev Posad Art school. After 4 years of that school, she was able to study with a noted local artist before entering a five-year masters program in art and graphics at Moscow Art University. After graduating from university, her art took a detour into computer art and graphics, eventually bringing her to California where she works as a computer game artist. In 2007 Inna decided to devote more of her time to painting, which she has continued ever since, exploring and developing her Impressionist approach. Check out more of Inna's beautiful creations on her website: www.inna-art.org

The next Committee Meeting will be Thursday November 5th, 2026 at 2:30 pm

President's Message

Dear Members,

Our annual art show is rapidly approaching, and I would like to thank everyone who is participating and helping make this year's show another successful one. Although it will be a bit smaller than in recent years, We will still have a wonderful showing of 80 paintings.

We appreciate help from all BAS members including those who are not exhibiting this year, to spread the word to friends and family. I will soon email a copy of the show brochure/poster for you to share on social media, print to give to friends, or post at places you frequent. Please let your friends and family know that we will again be selling raffle tickets for the chance to win one of 4 wonderful paintings which have been kindly donated by four of our fellow BAS members.

Also, remember our members-only reception on Saturday November 14th, from 9 to 10 AM , before the show opens, at 10:00 AM. All members are welcome whether or not you are exhibiting in the show.

Diana

BAS Volunteers

As a reminder to all... the Burlingame Art Society is solely managed by volunteers, which means we can always use more help with the jobs that need to be done to keep us going. We hope that you will consider joining the wonderful group of volunteers that take on these tasks. For more information please feel free to speak with anyone on the BAS Leadership Committee. And always remember that :

MANY HANDS MAKE LIGHT WORK!

Meeting Recap

At our October meeting we enjoyed watching a couple of videos of three master watercolorists, Alvaro Castagnet, Herman Pekel and Joseph Zbukvic. One of the videos has all three artists, for the first and possibly only time, painting on one very large painting together. It is quite entertaining and so interesting how they bring togather their different styles to create a beautiful piece of art, The videos are well worth watching more than once so, in the event that you missed the meeting or might want to watch any of them again, here are the titles to each of the Youtube videos, just go to Youtube and type the title into the search box.

The one with all 3 artists together is titled

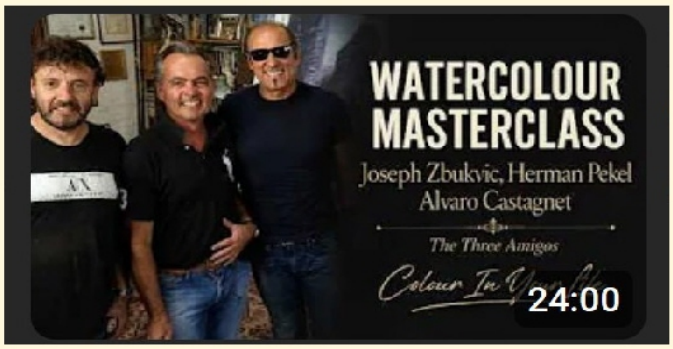

"The Three Amigos - Joseph Zbukvic, Herman Pekel and Alvaro Castagnet - Colour in Your Life"

we also watched:

"Joseph Zbukvic paints an amazing street scene in watercolor / Colour in Your Lfe"

and

"Painting With a Master: My Biggest Takeaways from Joseph Zbukvic" ((Emily Olson Art).
