Video Phone for Deaf and Hard of Hearing: 765-273-5662

Address: N/A

As a Center for Independent Living, Future Choices is a consumer-controlled, community-based, cross-disability, nonresidential, nonprofit agency. We promote the independent living philosophy: Individuals with disabilities should have the same civil rights, choices, options, and control over choices in their lives as do individuals without disabilities.

INSource - Special Education Parent Support

Phone: 800-332-4433

Website: <https://insource.org/>

*IN*SOURCE exists to help parents of children with disabilities navigate the complicated special education process in the state of Indiana. We help bridge the gap between schools and parents and we strive to connect the dots that become the individual path to success for children with disabilities.*

Indiana Disability Resources and Advocacy Organizations

Website: https://www.olmsteadrights.org/self-helptools/advocacy-resources/item.6756-Indiana_Disability_Resources_and_Advocacy_Organizations

Many of these organizations work to address the unique needs associated with different disabilities, including but not limited to physical, intellectual, and developmental disabilities, and mental illness. Others focus on issues such as access to housing and legal assistance based on the Americans with Disabilities Act (ADA).

First Steps Southeast

Main Website: <http://www.firststepssoutheast.org/>

Referral Website: <http://www.firststepssoutheast.org/general-referral-form/>

Indiana's First Steps system is a family-centered, locally-based, coordinated system that provides early intervention services to infants and young children who may have developmental delays or who have a diagnosed mental or physical condition that has a

high probability of resulting in developmental delays. First Steps brings together families and professionals from education, health, and social service agencies. By coordinating locally available services, First Steps is working to give Indiana's children and their families the widest possible array of early intervention services.

Interlock East Central Indiana (ESI)

Phone: 765-273-3362

Website: <https://www.interlockin.org/about-us/>

To assist and educate families in East Central Indiana living with Autism Spectrum Disorder and to assist local special education classrooms to accommodate the needs of students with autism spectrum disorders.

Website: <https://www.communityandfamilyservices.org/eap>

The Energy Assistance Program (EAP) can help you pay your heat and electric bills! EAP is a federally-funded program through the U.S. Department of Health and Human Services (HHS) called the Low-Income Home Energy Assistance Program (LIHEAP). EAP provides a one-time annual benefit that can assist you with the high cost of home energy and can help if you are disconnected, or are about to get disconnected.

Blackford County Division of Family Resources

Phone: 800-403-0864

Center for Psychological Development (Telehealth option)

Phone: 765-287-1922

Address: 2205 North Wheeling Avenue, Muncie, IN 47303

Website: <https://muncietherapy.com/service/telehealth/>

TeleHealth is interactive therapy conducted on any electronic communication device with a camera. If such a device is unavailable, the therapy can be conducted using a phone. Advantages include convenience and the reduced risk of contacting or transmitting the virus and staying where you are located. How does it work? It is relatively simple: the therapist or office staff schedules the appointment and sends the client a link via email. When it is time for the meeting, the client uses their computer/laptop/tablet or phone to

open the email and click on the link, which starts the meeting. In a phone session, the therapist simply calls the client.

Meridian Health Services

Phone: 260-726-9348

260-307-1563

Address: 240 N. Tillotson Ave. Muncie, IN 467304

Website: <https://www.meridianhs.org/>

Meridian Health Services is a progressive healthcare organization that believes in treating the "whole-person" integrating physical, mental and social well-being to help people achieve their optimum health. This approach connects treatments and doctors working together to heal both the body and mind for total well-being.

Medicaid, SNAP, and TANF - Information, Complaint, Fraud Hotline

Phone: 800-403-0864

Auto Safety Hotline

Phone: 800-424-9393

NHTSA operates the U.S. Department of Transportation's (DOT) Vehicle Safety Hotline telephone service to collect accurate and timely information from consumers on vehicle safety problems. You can call 1-888-327-4236 or 1-800-424-9393 toll free from anywhere in the United States, Puerto Rico, and the Virgin Islands to register complaints or receive recall information about a vehicle. The Hotline also has Spanish-speaking representatives and offers a dedicated number, 1-800-424-9153, for use by persons with hearing impairments.

National Eye Institute: Assistance for Eye Care

Website: <https://www.nei.nih.gov/learn-about-eye-health/healthy-vision/get-help-paying-eye-care>

Eye care and glasses can be expensive. And even if you have health insurance, it may not include vision coverage. The good news is that lots of programs offer help, like free or low-cost eye exams and eyeglasses. Keep in mind that you'll need to apply to get help from these programs — and many programs have specific requirements, like having a low income or being at higher risk for certain eye diseases.

Affordable Internet Services

Website: <https://www.highspeedinternet.com/resources/are-there-government-programs-to-help-me-get-internet-service>

Several programs exist to help make internet service more affordable to low-income households. There are both government subsidies and low-income internet programs from internet service providers (ISPs) that can lower your internet bill.
