Garmin Watches

Garmin Quatix 6x Solar

Enjoy more time on the water with the Quatix 6X Solar marine GPS smartwatch with solar charging.

Its unique power-replenishing feature extends battery life on its big 1.4" display, so you'll have more time to take advantage of its comprehensive connectivity: compatible with Garmin chartplotters and other devices to provide autopilot control, sail racing assistance, Fusion-Link™ entertainment control, data streaming — including speed, depth, temperature and wind — and much more.

Garmin Quatix 6 Sapphire

The Quatix® 6 Sapphire multisport GPS smartwatch with specialised marine features combines the quality and durability of a scratch resistant sapphire lens and other premium features. Use with compatible Garmin chartplotters and other devices to provide autopilot control, sail racing assistance, Fusion-Link™ entertainment control, data streaming — including speed, depth, temperature and wind — and much more.

Garmin Quatix 6

The quatix® 6 multisport GPS smartwatch with specialised marine features offers comprehensive connectivity with compatible Garmin chartplotters and other devices to provide autopilot control, sail racing assistance, Fusion-Link™ entertainment control, data streaming — including speed, depth, temperature and wind — and much more.
