## The beautiful story

What makes Funambull so special? Its sparkle! For the 1st time at Domaines Fabre, we're launching a sparkling wine that's sure to tantalize the taste buds of wine lovers! The name of this sparkling wine: Funambull. Why Funambull? When Gabriel, our grandfather, was a neo-vigneron in the 60s, it was very difficult to make a living from wine alone. So for ten years he had a herd of cows and ONE bull. And guess what that bull's name was...? Funambulle!
