04 KEY FEATURES

01 ALL-WELDED ALUMINUM HULL

3-degree all-welded construction using 5052-grade aluminum delivers superior structural integrity and corrosion resistance in demanding field conditions.

02 EXTREME TURN TECHNOLOGY

EXT provides exceptional low-speed maneuverability, essential for shallow-water navigation and precise positioning in natural resource operations.

03 BUILT-IN GUN BOX

Integrated gun box and dedicated low front deck with anchor storage, purpose-built for operators who need secure gear storage in the field.

04 HONDA ELECTRIC START

The BF250DLRT outboard delivers reliable electric start, power tilt, and a 3-star CARB rating with a marine-grade battery included at delivery.

05 HELIX 7 CHIRP MSI OPS

64 depth finder with transducer bracket provides precision sonar mapping and GPS positioning for precision navigation on any waterway.

06 GALVANIZED BUNK TRAILER

2026 galvanized trailer with smooth I-beam frame, waterproof LED lighting, breakaway brakes, and a full-size galvanized spare tire mounted on board.

07 DUAL PROPELLER PACKAGE

One propeller installed and one matching spare provided – ensuring immediate field-replaceable capability without downtime or additional procurement.

08 NMMA & USCG CERTIFIED

Full NMMA certification and USCG-compliant hull identification number guarantee regulatory compliance across all Minnesota waterway operations.

09 INVASIVE SPECIES READY

Smooth-surface trailer with no marine carpet eliminates aquatic invasive species transport risk, ideal for waterway invasive species compliance.

05 PACKAGE CONTENTS

BOAT (QTY 1)

- 2026+ Phantom 1548 SLD Hull
- 5052 Aluminum All-Welded Construction
- .125 Gauge Treadplate Floor
- 3/16" Extruded Keel
- All Aluminum Floors & Decks
- Built-In Gun Box
- Extreme Turn Technology (EXT)
- Low Front Deck w/ Anchor Storage
- Split Rear Deck with Storage
- Floored Area for Battery & Fuel Tank
- Inside Drain Plug Access
- Diversized Extruded Coprols w/ Accessory Track & Rub

MOTOR (QTY 1)

- Honda BF250DLRT – Current Model Year
- 3-Star CARB Rated ★★
- Power Tilt
- Electric Start
- Marine Grade Battery – Installed
- Tiller Steering – Matched to Hull
- Standard Propeller – Installed
- Spare Propeller – Matching, Not Installed

DOCUMENTATION (INCLUDED)

- MSD / Title(s)

TRAILER (QTY 1)

- 2026+ Galvanized Bunk Trailer
- Sized for Phantom 1548 SLD Package
- Smooth I-Beam / Open Channel Frame
- Bunk-Style Guides
- 7-Spade RV Connector – Hardwired
- 2" x 25 Ft. Winch Strap with Hook
- SS Bearing Buddies / EZ-Lube / Oil Bath Hubs
- Breakaway Brakes (Electric or Surge)
- Two Transom Tie-Down Straps – Retractable
- Adjustable Transom Saver Bar
- Waterproof LED Lighting
- Galvanized Spare Tire – Mounted

- Roll
- Stainless Steel Bow & Stern Eyes
- Olive Drab Factory Paint
- Helix 7 CHIRP MSI GPS G4 + Transducer Bracket
- NMMA Certified / USCG Hull ID
- Inventory Sheet
- Training Manual – Paper or Electronic
- Parts, Service & Operator Manuals
- Spare Keys
- Equipment Sales Literature
- Safety Chains w/ Snap Hooks
- Fender Step (If available)
