02 HULL WARRANTY – SUPERFORMANCE

GENERAL WARRANTY STATEMENT

SUPERFORMANCE JET BOATS LLC - HULL & STRUCTURE

Superformance Jet Boats LLC warrants that the 2026 Phantom 17J Center Console vessel, including all components, materials, and installed equipment will be:

- ✓ Free from defects in materials and workmanship
- ✓ New and of current manufacturer production at time of sale
- ✓ NMMA certified and USCG compliant
- ✓ In conformance with all published specifications

HULL COVERAGE DURATION

MINIMUM COVERAGE PERIOD

1 YR

FROM DATE INVOICE PAID IN FULL

Hull / Boat Structure	Lifetime Hull
Installation & Labor	1 year from final acceptance

◆ WHAT IS COVERED

- ✓ Defects in hull construction, welds, and structural integrity
- ✓ Failures in factory-installed components from manufacturing defects
- ✓ All installation labor and mounting hardware
- ✓ All aluminum floors, decks, bow and stern eyes, cap rails
- ✓ FO center console structure and factory-installed livewell
- ✓ Flotation pods and integrated hull systems
- ✓ Bator Hide and factory paint applied at time of manufacture

◆ WHAT IS NOT COVERED

- ✗ Damage from accident, abuse, misuse, or negligence
- ✗ Normal wear and tear from regular use
- ✗ Damage from failure to follow maintenance instructions
- ✗ Modifications not performed or approved by Superformance
- ✗ Cosmetic damage (scratches, dents) occurring after delivery
- ✗ Damage from improper trailering, launching, or retrieval

All warranty work is completed at no cost to the owner, including parts, labor, and transportation where applicable. Warranty service must be authorized by Superformance before any repairs are attempted.

03 MOTOR WARRANTY – YAMAHA

YAMAHA 90/65 JET OEM WARRANTY

YAMAHA MARINE · OEM STANDARD COVERAGE

2 YRS

STANDARD YAMAHA MARINE WARRANTY

Coverage Start	Date of original purchase / Invoice paid
Coverage Type	Defects in materials and workmanship
Labor	Covered at authorized Yamaha Marine dealer
Parts	OEM replacement parts covered

♦ WHAT YAMAHA WARRANTY COVERS

- ✓ Engine block, cylinder head, and internal engine components
- ✓ Power trim and tilt mechanism and associated hardware
- ✓ Electric start system and starter motor
- ✓ Fuel delivery and carburetion system
- ✓ Ignition system components
- ✓ Jet drive unit and associated hardware
- ✓ Throttle / shift control systems

MOB+ / 1ST MATE SYSTEM

ENGINE CUTOFF SAFETY SYSTEM

The MOB+ / 1st Mate engine cutoff system is covered under Superformance's general installation and labor warranty for defects in wiring, mounting, and installation. Coverage for the system's electronic components follows the OEM manufacturer's warranty terms.

- ✓ Installation and wiring: 1 year (Superformance)
- ✓ Driver and passenger fobs: Per OEM terms
- ✓ Register your fob system with the manufacturer for full coverage

♦ WHAT IS NOT COVERED

- ✗ Normal maintenance items (oil, filters, spark plugs, anodes)
- ✗ Damage from running the engine without adequate cooling water
- ✗ Damage from improper fuel or oil type
- ✗ Damage from abuse, accident, or unauthorized modification
- ✗ Impeller wear from normal use or impact with debris
- ✗ Damage from operating in water shallower than manufacturer minimums

Warranty service for the Yamaha 90/65 Jet is available through authorized Yamaha Marine dealers. Contact Superformance first – they are the single point of contact and coordinate all warranty service on your behalf.

84 TRAILER WARRANTY – SUPERFORMANCE

TRAILER COVERAGE

SUPERFORMANCE JET BOATS LLC · GALVANIZED BUNK TRAILER

1 YR

FROM DATE INVOICE PAID IN FULL

The 2026 galvanized bunk trailer is warranted against defects in materials and workmanship for a minimum of 1 year.

♦ WHAT IS COVERED

- ✓ Galvanized steel frame structure and welds
- ✓ Axle(s) and suspension components
- ✓ Bunk boards and guide assemblies
- ✓ Hub assembly (SS Bearing Buddies / EZ-Lube / Oil Bath)
- ✓ Brake system (electric or surge) and breakaway mechanism
- ✓ Waterproof LED lighting system and wiring harness
- ✓ 7-spade hardwired electrical connector
- ✓ Winch and winch strap assembly
- ✓ Safety chains and transom straps
- ✓ Adjustable transom saver bar
- ✓ Galvanized spare tire and mounting hardware

TRAILER CERTIFICATIONS

COMPLIANCE & RATINGS

- ✓ Manufacturer certification label affixed at delivery
- ✓ GVWR rated to carry fully equipped boat, motor, and 150 lbs. of gear
- ✓ Meets or exceeds all applicable Motor Carrier Safety requirements

♦ WHAT IS NOT COVERED

- ✗ Tires (subject to normal wear and road hazard damage)
- ✗ Damage from overloading beyond the rated GVWR
- ✗ Corrosion from failure to rinse after saltwater exposure
- ✗ Damage from improper towing (exceeding tow vehicle capacity)
- ✗ Winch strap wear from normal use

Always rinse the trailer with fresh water after saltwater or chemical exposure to maintain the galvanized finish and preserve warranty coverage.

86 MAKING A WARRANTY CLAIM

HOW TO SUBMIT A WARRANTY CLAIM

SUPERFORMANCE IS YOUR SINGLE POINT OF CONTACT FOR ALL WARRANTY WORK

- 1 Contact **Superformance Jet Boats LLC** at **332.208.4278** or **camilla@od4k.us**. Superformance handles all warranty coordination – hull, motor, trailer, and electronics – so you only need to make one call.
- 2 Provide your **hull identification number**, a clear description of the defect or failure, and the date you first observed the issue. Written claims are preferred – include this information in any email correspondence.
- 3 **Do not attempt repairs** without prior written authorization from Superformance. Unauthorized repairs may void warranty coverage on the affected component.
- 4 Warranty repairs will be completed within **14 calendar days** of notification, or as otherwise arranged in writing. All costs – including parts, labor, inspection, and transportation – are covered during the warranty period.

Tip: Keep a copy of your purchase invoice and hull ID number in an accessible location. You will need these for any warranty or service interaction.
