Lesson 2: The Months of the Year

A  **13** Listen and repeat the names of the months.

B  **14** Listen and read. Learn the poem.

Which country is this?

January, February, the weather's cold,
But in March and April, ice cream is sold.
May is the month when we all have fun -
We can swim and play out in the sun.
In June, of course, it's very hot,
July and August - the worst of the lot.
September, October, getting cooler again,
November, December, here comes the rain.
