Unit 3 Lesson 1: Places to Go

A Match each picture to a country. Say what you know about each place.

Libya Egypt England Greece

B Read and match. Where did Sandra go? Which place would you like to visit most?

A This is the most famous and the largest one in Egypt. Archaeologists think it was built for a pharaoh named Khufu. It is made of thousands of stones. The stones look like steps but we weren't allowed to climb it because it's too dangerous. By the time we got there, we had been walking all day and we were very hot. We were very happy when we went inside, where it was cool and dark.

B Nobody is sure what the stones were for, but we know that they are very old. The first ones were put there about 5,000 years ago. There used to be more of them, but some were taken for building houses. I wasn't allowed to get very close to the stones because tourists had damaged them by writing on them, but I took a lot of pictures.

C I went there with my family. It was really beautiful. We walked along the Mediterranean coast. It has an amazing history and is one of the ancient "three cities" of Roman Tripolis.

D I love to visit old buildings when I travel. This one was built over 2,000 years ago. It was damaged in 1687, because people had been using it to keep gunpowder and the gunpowder exploded. After that, some people took parts of it and put them in museums. But a lot of the columns are still there.

C Now do Exercises A and B on page 30 of the Workbook.
