Expressing regrets about the past: Third conditional

Study the sentences below. Are they referring to the past, present or future?

We use the third conditional to talk about unreal situations in the past.	<i>If I had passed the test, I would have become a pilot.</i> (= But I didn't pass it so I didn't become one.)
We can also use the third conditional to express regret about the past.	<i>If we had trained harder, we might have won the match.</i> (= But we didn't train hard so we didn't win.)

Can you think of other examples?
