

## Lubetech Light Weight Bonded Maintenance Pads 50cm x 40cm

### Features:

Good value and reliable performance

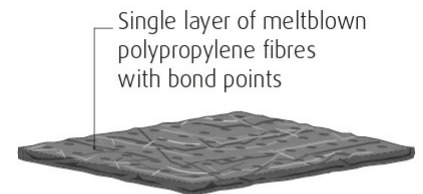

Made from high quality polypropylene

The pad is made from a single layer of meltblown that is sonically bonded together

Easy-tear perforations let you take only what you need so you use less and save money

Bonded construction allows rapid absorbency

This product is also available unboxed in bagged form, add BA to the end of the code when enquiring and ordering

**Specifications:**

**Logistics:**

**Application**

An economical choice for everyday spill situations of absorbing either water or oil based fluids. This is an excellent go-to-product for lighter duty indoor MRO tasks. Maintenance absorbents are most commonly but not exclusively used indoors.

**Packaging Type**

Dispenser Box
