Western Canadian Nursery Champion will be determined by two rounds of competition and the champion will be the top aggregate score over the two rounds.

10 teams to Sunday Double Lift.

Top 3 from each day (picked first) and top 4 overall (best two runs). In the event of a handler placing with 3 dogs, 2 of their choice will go forward to the DL.

In order to compete at the WCST Double Lift or Nursery Finals, all handlers must have been a paid member of a provincial association 30 days PRIOR to the commencement of the event. Members of provincial stock dog associations may not necessarily reside in the province; thus membership **not** residency determines eligibility.
