Dear Mr Jeffery,

Congratulations! You have now covered the necessary requirements for Graduate Member membership of the Institution and you may now use the post nominal designation Grad IOSH. Your certificate will be posted to you, within 12 to 14 weeks, from the date of this email.

All Graduate Members are required to maintain their competence through our on-line Continuing Professional Development (CPD) Blueprint system. You can complete the self-assessment, and this will provide you with your personal development plan with access to the CPD resources library. You should aim to complete 30 hours of CPD over a 12-month period with a minimum of 6 individual CPD activities, ensuring a detailed reflective statement is completed for each activity. Further guidance on how to update your CPD can be found in the help section within Blueprint. You will have received your Blueprint access details upon joining IOSH. You can access Blueprint here: [Opportunity starts here | IOSH](#).

If you would like to discuss CPD please contact us on + 44 (0) 116 257 3239 or email cpd.enquiries@iosh.com.

Please note in 2023 we'll be implementing the [new IOSH membership grades](#). This is why we are no longer accepting applications for our [Initial Professional Development \(IPD\)](#) scheme, which enables Graduate Members to progress to Chartered status. We will continue to communicate with members via email and will publish full details of our new route to Chartered membership closer to the launch date in 2023. For more information, please visit our IOSH website [IOSH membership grades - Shaping the Future | IOSH](#)

To assist with your journey to reach Chartered membership, have you considered becoming a mentor? The experience gained contributes to your CPD and it's free to get involved. Find out more and register at www.iosh.com/mentoring.

If you would like to discuss IPD please contact us on + 44 (0) 116 257 3200 or email pds@iosh.com.

Yours sincerely,

Professional Development and Standards Team

An advertisement banner with a blue background on the left and a photograph of people raising their hands on the right. The blue section contains the text: "Hands up if you want to make safety count" in large white font, followed by "Branch, district and section elections are now open, help us to make a difference" in smaller white font. The IOSH logo is in the top right of the blue section. A purple button with the text "Find out more" is at the bottom left. The photograph shows a group of people in a meeting, with several hands raised in the air, suggesting an active discussion or voting process.
